CARE FOR KIDS

Early & Periodic Screening, Diagnosis & Treatment

Just a reminder . . . Your last *Care for Kids* check-up suggested follow-up care for your child. It is important to get this care.

The Iowa *Care for Kids* program provides regular medical and dental care for eligible children and teenagers. It's free for any child who is less than 21 years old and eligible for Medicaid.

If you have questions, please call:
1-800-369-2229 *(voice)* or
1-800-735-2942 *(TTY)*

SOLO PARA RECORADARLE... que en su último chequeo de *Cuidado de Sus Hijos* se le sugirió la continuación de esa atencion para su hijo ó hija. Es muy importante cumplir con esa sugerencia.

El programa *Cuidado de Sus Hijos* de Iowa les ofrece atención médica y dental regular a todos los niños ó adolescentes elegibles. El servicio es gratis para cualquier niño ó adolescente menor de 21 años elegible para recibir Medicaid.

Si tiene alguna pregunta hage favor de llamar al:
1-800-369-2229 (*voz*)
1-800-735-2942 (*para sordos/TTY*)

CARE FOR KIDS

Early & Periodic Screening, Diagnosis & Treatment

Just a reminder...

At your last *Care for Kids* check-up, follow-up care was suggested. This care might be a return visit, further tests, or a visit to another doctor or dentist. It is important to get this care for your child or teenager.

The cost of this care will be covered, so long as your child is on Medicaid. Today, more kinds of care are covered by Medicaid than before. So, if you haven't already arranged for this follow-up care, please do!

We can help if you have questions about:

- dental care,
- medical care, or
- transportation to and from your appointment

Just give us a call at:

1-800-369-2229 *(voice)*
or
1-800-735-2942 *(TTY)*
