INCOME ELIGIBILITY LEVELS (Continued)

3. Aged and Disabled Individuals

The levels for determining income eligibility for groups of aged and disabled individuals under the provisions of section 1902(m)(~~4~~) of the Act are as follows: (1) per Carol Tuttle 8/13/98 EM

Based on _____ percent of the official Federal income poverty line.

Family Size	Income Level
1	$ _____
2	$ _____
3	$ _____
4	$ _____
5	$ _____

If an individual receives a title II benefit, any amount attributable to the most recent increase in the monthly insurance benefit as a result of a title II COLA is not counted as income during a "transition period" beginning with January, when the title II benefit for December is received, and ending with the last day of the month following the month of publication of the revised annual Federal poverty level.

For individuals with title II income, the revised poverty levels are not effective until the first day of the month following the end of the transition period.

For individuals not receiving title II income, the revised poverty levels are effective no later than the beginning of the month following the date of publication.
