Dear Ms Garcia,

This letter is in regards to the May 5, 2014 compliance check of your Category A, Registered Child Development Home. Iowa Code Chapter 237A and 441 Iowa Administrative Code, Chapter 110, describes specific requirements that must be met by a Registered Child Development Home. The following areas were out of compliance at the time of my visit:

☐110.5(1)a Numbers for each child's parent, physician, and a responsible person are accessible by the phone.

Need to update.

☐110.5(1)g Safety barriers are at stairways and doors as needed.

Need additional baby gate for stairs.

110.5(2) **A provider file is maintained and contains:**

☐110.5(2)a A physician's signed statement of health and immunization status on the provider and all members of the household who may be present when children are in the home. Statements must be obtained at the time of initial registration and updated every two years.

Provider and household members should use the new physical form (good for 3 years). I have included the form in this mailing.

☐110.5(2)b During the first year of registration – 12 hours of approved training. At least six hours shall be in a group setting. Two of the twelve hours must be health and safety training. A specific training shall not be used to meet requirements more than one time every five years.

☐110.5(2)b During the second year of registration and each succeeding year, twelve hours of approved training. At least six hours shall be in a group setting. If the provider has documentation of completing the ChildNet, PITC, or Beyond Business Basics series, these hours may be used to fulfill two year's training requirements, not including first aid and mandatory reporter training. A specific training shall not be used to meet requirements more than one time every five years.

Most recent trainings completed in 2011, need to be updated. Contact Child Care Resource and Referral at 1-800-722-7619 to get information about classes and trainings.

110.5(8) **Children's Files**

☐110.5(8) An individual file is maintained for each child and updated annually or when there are changes. Each file contains:

☐110.5(8)e For infants and preschoolers: A statement of health signed by a physician submitted annually.

☐110.5(8)e For school aged children: An annual statement of health condition signed by the parent or legal guardian, annually from date of admission physical.

☐110.5(8)h For each school-age child, record of a physical exam completed at the time of school enrollment or since.

☐110.5(9)d If absence is planned, care is provided by a DHS-approved substitute.

☐110.5(9)d If absence is planned, the parents are given at least 24 hours prior notice.

Add to existing daycare contract.

Non-compliance with any of the mandated regulatory requirements listed above may lead to the cancellation or revocation of your Child Development Home Registration. **Please take whatever steps are necessary to completely address each of the violations noted above. It is essential you correct all above-mentioned violations on or before June 27, 2014.**

☐Based on the items out of compliance listed above, you will be required to have a re-check or follow-up visit to your home. This visit will occur on or after _____.
