Dear Ms Minor,

This letter is in regards to the February 19, 2014 compliance check of your Category A, Registered Child Development Home. Iowa Code Chapter 237A and 441 Iowa Administrative Code, Chapter 110, describes specific requirements that must be met by a Registered Child Development Home. The following areas were out of compliance at the time of my visit:

☐110.5(1)e All accessible electrical outlets are safely capped.

☐110.5(1)m Has not less than one 2A 10BC rated fire extinguisher in a visible and readily accessible place on each child-occupied floor.

**Current fire extinguisher is too small. Replace with a classification 2A 10BC or larger. Extinguishers are sold at locations such as Wal-Mart, Menards, and Home Depot. Check classification on extinguisher/box before purchase.**

110.5(2) **A provider file is maintained and contains:**

☐110.5(2)a A physician's signed statement of health and immunization status on the provider and all members of the household who may be present when children are in the home. Statements must be obtained at the time of initial registration and updated every two years.

**A plan to schedule an appointment was indicated. Please use pages 33 and 34 in the packet of forms provided. Your physician can complete this document at your appointment.**

110.5(8) **Children's Files**

☐110.5(8) An individual file is maintained for each child and updated annually or when there are changes. Each file contains:

☐110.5(8)d For infants and preschoolers: An admission physical examination, on the first day of attendance, including past health history, status of present health, allergies and restrictive conditions, and recommendations for continued care when necessary. The date of the exam is not more than 12 months before the child's first day of attendance.

☐110.5(8)d For school-aged children: On the first day of attendance, a statement of health status signed by the parent or legal guardian.

☐110.5(8)e For infants and preschoolers: A statement of health signed by a physician submitted annually.

☐110.5(8)e For school aged children: An annual statement of health condition signed by the parent or legal guardian, annually from date of admission physical.

☐110.5(8)h For each school-age child, record of a physical exam completed at the time of school enrollment or since.

110.8(1) **SPECIFIC REQUIREMENTS FOR CHILD DEVELOPMENT HOME CATEGORY "A"**

☐110.8(2) Has three written references which attest to character and ability to provide child care.

**Keep references in your personal provider file/folder for easy access.**

Non-compliance with any of the mandated regulatory requirements listed above may lead to the cancellation or revocation of your Child Development Home Registration. **Please take whatever steps are necessary to completely address each of the violations noted above. It is essential you correct all above-mentioned violations on or before April 1, 2014 .**

☐Based on the items out of compliance listed above, you will be required to have a re-check or follow-up visit to your home. This visit will occur on or after _____.

x☐Based on the items out of compliance listed above, a re-check or follow-up visit to your home is not necessary. However, it is essential you come into complete compliance with all Departmental regulatory mandates. **Please check mark each of the boxes listed above when the necessary corrections have been completed. By doing so, you certify that you have completed all of the mandated regulatory requirements contained within each identified section.**

**I certify that I have taken all of the steps necessary to correct each of the identified violations noted above and am now in complete compliance with all of the Departmental mandated regulatory rules.**
