Dear Child Care Provider,

This letter is in regards to the 10-12-15 compliance check of your Level B, Registered Child Development Home. Iowa Code Chapter 237A and 441 Iowa Administrative Code, Chapter 110, describes specific requirements that must be met by a Registered Child Development Home. The following areas were out of compliance at the time of my visit:

- 441 IAC 110.5(1)“a” The home shall have a nonpay, working land-line or mobile telephone with emergency numbers posted for police, fire, ambulance, and the poison information center. The number for each child’s parent, for a responsible person who can be reached when the parent cannot, and for the child’s physician shall be written on paper and readily accessible by the telephone. The home must prominently display all emergency information, and all travel vehicles must have a paper copy of emergency parent contact information (*make visible*)
- 441 IAC 110.5(8) “a”. Identifying information including, at a minimum, the child’s name, birth date, parent’s name, address, telephone number, special needs of the child, and the parent’s work address and telephone number. (2)
- 441 IAC 110.5 (8) “b”. Emergency information including, at a minimum, where the parent can be reached, the name, street address, city and telephone number of the child’s regular source of health care, and the name, telephone number, and relationship to the child of another adult available in case of emergency. (2)
- 441 IAC 110.5(8) “c”. A signed medical consent from the parent authorizing emergency treatment. (4)
- 441 IAC 110.5(8) “d”. An admission physical examination report signed by a licensed physician or designee in a clinic supervised by a licensed physician (4)
  - (1) The date of the physical examination shall not be more than 12 months before the child’s first day of attendance at the child development home.
  - (2) The written report shall include past health history, status of present health, allergies and restrictive conditions, and recommendations for continued care when necessary.
  - (3) For a child who is five years of age or older and enrolled in school, a statement of health status signed by the parent or legal guardian may be substituted for the physical examination report.
  - (4) The examination report or statement of health status shall be on file before the child’s first day of care

441 IAC 110.5(8) “g”. A signed and dated immunization certificate provided by the state department of public health. For the school-age child, a copy of the most recent immunization record shall be acceptable. (3)

441 IAC 110.5(8) “f”. A list signed by the parent which names persons authorized to pick up the child. The authorization shall include the name, telephone number, and relationship of the authorized person to the child. (2)

Non-compliance with any of the mandated regulatory requirements listed above may lead to the cancellation or revocation of your Child Development Home Registration. **Please take whatever steps are necessary to completely address each of the violations noted above. It is essential you correct all above-mentioned violations.**

Based on the items out of compliance listed above, you will be required to have a recheck or follow up visit to your home.
