Dear Pauline,

This letter is in regards to the compliance check of your Level C, Registered Child Development Home completed on 5/6/15. Iowa Code Chapter 237A and 441 Iowa Administrative Code, Chapter 110, describes specific requirements that must be met by a Registered Child Development Home. The following areas were out of compliance at the time of my visit:

110.5(1)k Fire and tornado drills are practiced monthly and documentation kept. **Need to do drills and document monthly**

110.5(2)a A physician's signed **statement of health and immunization status** on the provider and all members of the household who may be present when children are in the home. Statements must be obtained at the time of initial registration and updated every three years. **Need now every 3 years and on the new form which I left a copy for your use.**

110.5(2)b Certificates or training verification documentation for:

110.5(2)b Two hours of approved child abuse and neglect mandatory reporter training (and every 5 years thereafter.)

I am including the web site to obtain the mandatory reporter training for free. This web site is sponsored by the Iowa Department of Public Health. If there are any problems with using it or obtaining a certificate you will need to call the number on the web site.

WHO: This training is designed for child care providers

WHAT: Mandatory Child Abuse Reporter Training for Child Care Providers

WHERE: On-Line, start at this link <http://dhs.training-source.org> You must register by entering your provider number

WHEN: Any time day or night, this is a self-study course. Your certificate will be made available for you to print upon successful completion of the course. I believe it takes 2 – 3 weeks to obtain the link to print the certificate after you successfully complete the course.

110.5(8)e For infants and preschoolers: A statement of health signed by a physician submitted annually. **Need for: GA and SZ.**

Based on the items out of compliance listed above, a recheck or follow up visit to your home is not necessary. However, it is essential you provide documentation to the Department that certifies you have corrected each of the identified regulatory violations and are now in complete compliance with all Departmental regulatory mandates. Please check mark each of the boxes listed above when the necessary corrections have been completed. By doing so, you certify that you have completed all of the mandated regulatory requirements contained within each identified section.

I certify that I have taken all of the steps necessary to correct each of the identified violations noted above and am now in complete compliance with all of the Departmental mandated regulatory rules.

Please sign and date below, and return this form in the provided envelope by: 45 days of receipt.
