Dear Child Care Provider,

This letter is in regards to the 10/7/15 compliance check of your Level B, Registered Child Development Home. Iowa Code Chapter 237A and 441 Iowa Administrative Code, Chapter 110, describes specific requirements that must be met by a Registered Child Development Home. The following areas were out of compliance at the time of my visit:

441 IAC 110.5(1)"c" A first-aid kit shall be available and easily accessible whenever children are in the child development home, in the outdoor play area, in vehicles used to transport children, and on field trips. The kit shall be sufficient to address first aid related to minor injury or trauma and shall be stored in an area inaccessible to children. The kit shall, at a minimum, include adhesive bandages, antiseptic cleaning materials, disposable tweezers, and disposable plastic gloves.

**Replenish with disposable tweezers**

**(1)** Each dog or cat in the household shall undergo an annual health examination by a licensed veterinarian. Acceptable veterinary examinations shall be documented on Form 470-5153, Veterinary Health Certificate. This examination shall verify that the animal's routine immunizations, particularly rabies, are current and that the animal shows no evidence of endoparasites (roundworms, hookworms, whipworms) and ectoparasites (fleas, mites, ticks, lice).

**Dog and cats exams need updated on form 470-5153 .**

441 IAC 110.5(2)"a" A physician's examination report for the provider and all members of the household . Acceptable physical examinations shall be documented on Form 470-5152, Child Care Provider Physical Examination Report. The examination shall include any necessary testing for communicable diseases; a discussion of recommended vaccinations; completed no more than six months prior to initial registration; completed by a licensed medical doctor, doctor of osteopathy, physician assistant or advanced registered nurse practitioner; and repeated at least every three years.

**Sherry needs an updated physical using form 470-5152.**

Non-compliance with any of the mandated regulatory requirements listed above may lead to the cancellation or revocation of your Child Development Home Registration. **Please take whatever steps are necessary to completely address each of the violations noted above. It is essential you correct all above-mentioned violations.**

Based on the items out of compliance listed above, a recheck or follow up visit to your home is not necessary. However, it is essential you provide documentation to the Department that certifies you have corrected each of the identified regulatory violations and are now in complete compliance with all Departmental regulatory mandates. **Please check mark each of the boxes listed above when the necessary corrections have been completed. By doing so, you certify that you have completed all of the mandated regulatory requirements contained within each identified section.**

**I certify that I have taken all of the steps necessary to correct each of the identified violations noted above and am now in complete compliance with all of the Departmental mandated regulatory rules.**

**Please sign and date below, and return this form in the provided envelope by: 11/15/15**
