Dear Child Care Provider,

This letter is in regards to the October 29, 2014 compliance check of your Level B, Registered Child Development Home. Iowa Code Chapter 237A and 441 Iowa Administrative Code, Chapter 110, describes specific requirements that must be met by a Registered Child Development Home. The following areas were out of compliance at the time of my visit:

110.5(1)p Children under the age of one year are placed on their backs for sleeping unless otherwise authorized in writing by a physician.

TALKED WITH PROVIDER ABOUT SAFE SLEEP. LAY INFANTS ON THEIR BACKS UNLESS OTHERWISE DIRECTED FROM A PHYSICIAN.

110.5(8)d For infants and preschoolers: An admission physical examination, on the first day of attendance, including past health history, status of present health, allergies and restrictive conditions, and recommendations for continued care when necessary. The date of the exam is not more than 12 months before the child's first day of attendance.

NEEDED FOR ONE.

Non-compliance with any of the mandated regulatory requirements listed above may lead to the cancellation or revocation of your Child Development Home Registration.

Please take whatever steps are necessary to completely address each of the violations noted above. It is essential you correct all above-mentioned violations within the next 45 days.

x Based on the items out of compliance listed above, you will be required to have a recheck or follow up visit to your home. This visit will occur after the 45 day time period has elapsed.

Please do not hesitate to contact me at DHS at 319-292-2419 if you have any questions regarding this letter.

Sincerely,

Angela Huntington
