Dear Child Care Provider,

This letter is in regards to the 9-22-2014 compliance check of your Level B, Registered Child Development Home. Iowa Code Chapter 237A and 441 Iowa Administrative Code, Chapter 110, describes specific requirements that must be met by a Registered Child Development Home. The following areas were out of compliance at the time of my visit:

- 110.5(2) A provider file is maintained and contains:
 - 110.5(2)b Two hours of approved child abuse and neglect mandatory reporter training (and every 5 years thereafter.)-just expired 9-15-14, willing to take on line.
- 110.5(8) Children's Files
 - 110.5(8)e For infants and preschoolers: A statement of health signed by a physician submitted annually. **(Oliver and Kaden)**
 - 110.5(8)e For school aged children: An annual statement of health condition signed by the parent or legal guardian, annually from date of admission physical. **(Kiley and Kelton)**

I talked to Kathleen about some of the clutter needing to be cleaned up and pointed out that around the desk area there seems to be a lot and that it could be a safety issue for the one year old if he were to pull himself up on it and things were to fall on him.

Non-compliance with any of the mandated regulatory requirements listed above may lead to the cancellation or revocation of your Child Development Home Registration. **Please take whatever steps are necessary to completely address each of the violations noted above. It is essential you correct all above-mentioned violations within the next 45 days.**

Based on the items out of compliance listed above, a recheck or follow up visit to your home is not necessary. However, it is essential you provide documentation to the Department that certifies you have corrected each of the identified regulatory violations and are now in complete compliance with all Departmental regulatory mandates.

Please check mark each of the boxes listed above when the necessary corrections have been completed. By doing so, you certify that you have completed all of the mandated regulatory requirements contained within each identified section.

I certify that I have taken all of the steps necessary to correct each of the identified violations noted above and am now in complete compliance with all of the Departmental mandated regulatory rules.

Please sign and date below, and return this form in the provided envelope by: 11-6-2014
