Dear Child Care Provider,

This letter is in regards to the 10/09/2015 compliance check of your Level B, Registered Child Development Home. Iowa Code Chapter 237A and 441 Iowa Administrative Code, Chapter 110, describes specific requirements that must be met by a Registered Child Development Home. The following areas were out of compliance at the time of my visit:

FINDINGS: *Identify FINDINGS in each area of non-compliance.*

441 IAC 110.5(1)“q” **(1)** Each dog or cat in the household shall undergo an annual health examination by a licensed veterinarian. Acceptable veterinary examinations shall be documented on Form 470-5153, Veterinary Health Certificate. This examination shall verify that the animal’s routine immunizations, particularly rabies, are current and that the animal shows no evidence of endoparasites (roundworms, hookworms, whipworms) and ectoparasites (fleas, mites, ticks, lice). . **Needed annual pet records and need to be on the new form, 470-5153, which I left a copy of for your use.**

441 IAC 110.5(2)“a” A physician’s examination report for the provider and all members of the household . Acceptable physical examinations shall be documented on Form 470-5152, Child Care Provider Physical Examination Report. The examination shall include any necessary testing for communicable diseases; a discussion of recommended vaccinations; completed no more than six months prior to initial registration; completed by a licensed medical doctor, doctor of osteopathy, physician assistant or advanced registered nurse practitioner; and repeated at least every **three** years. **Need now every 3 years and on the new form, 470-5152 which I left a copy for your use.**

441 IAC 110.5(8) Children’s Files. An individual file is maintained for each child and updated annually or when there are changes. Each file contains: **The children’s files must be updated annually with the emergency medical authorization completed yearly. If the parent wants to review, edit and re-sign and date the intake and emergency medical authorization instead of completing a new form that is ok. I suggest you pick a date, such as the first of the year, beginning of school, your birthday or anniversary, Valentine’s Day, etc. On that date I suggest you double check for a current physical form and immunizations (if there were any updates) and have the parents redo or re-sign the emergency medical and intake information.**

441 IAC 110.5(8) “d”. An admission physical examination report signed by a licensed physician or designee in a clinic supervised by a licensed physician.

- (1) The date of the physical examination shall not be more than 12 months before the child's first day of attendance at the child development home.
- (2) The written report shall include past health history, status of present health, allergies and restrictive conditions, and recommendations for continued care when necessary.
- (3) For a child who is five years of age or older and enrolled in school, a statement of health status signed by the parent or legal guardian may be substituted for the physical examination report.
- (4) The examination report or statement of health status shall be on file before the child's first day of care **Need for: JS**.

441 IAC 110.5(8) "e". A statement of health condition signed by a physician or designee submitted annually from the date of the admission physical. For a child who is five years of age or older and enrolled in school, a statement of health status signed by the parent or legal guardian may be substituted for the physician statement. **Need for: SH.**

Suggestions for Improvement:

Non-compliance with any of the mandated regulatory requirements listed above may lead to the cancellation or revocation of your Child Development Home Registration. **Please take whatever steps are necessary to completely address each of the violations noted above. It is essential you correct all above-mentioned violations.**

Based on the items out of compliance listed above, a recheck or follow up visit to your home is not necessary.
