Iowa Department of Human Services

License Capacity Variance Request

Foster Home		County		
Address				
License Capacity	No. of Biological/ Adoptive Children	No. of Children Now in Placement		
I am requesting approval of a variance in order to:				
☐ Increase licensed capacity when all licensing standards are met.				
Exceed licensing capacity in order to keep siblings together.				
Care for a specific child(ren) which is above the capacity of the foster home and the child needing placement is not a sibling of any children in the home.				
☐ Variance needed to continue licensing.				
This placement is needed because:				
Factors supporting recomm	mendation for a variance:			
There contests described		The area we we will be a state of the second		
I have contacted workers with placements already in this foster home regarding this variance. ☐ Yes ☐ No				
□ 169 □ IAO				

	Projected Date of I	Placement		
Children to be Placed:				
Child	Date of Birth			
Child	Date of Birth			
Critic	Date of Birtin			
Child	Date of Birth			
Children's Worker(s)	Phone			
All additional children will have a bed and at least 40 square feet per child in a multiple occupancy bedroom. No child over the age of six will share a room with a child of the opposite sex. All other licensing standards are met, including the foster parents' time and abilities to provide care to additional children. All documentation to address the standards and abilities of the foster families is completed.
