

Important Information About Your New Iowa Medicaid Card

- In August you will get your regular paper Medicaid card.
- In August you will also get your new Iowa Medicaid card. It will be plastic. You may use either card in August.
- Each member will get his or her own plastic card.
- Keep the plastic card. After August you will no longer get a paper card each month.
- Keep the plastic card even if your eligibility for Medicaid changes.
- Carry your card with you and always show it to the provider of health services every time you request care.
