

Iowa Wellness Plan Accountable Care Organization Partner Update

The Partner Update is a monthly communication designed to share pertinent and important information that is specific to Iowa Medicaid's Accountable Care Organizations.

November 2014

Dashboard Refreshed Tuesday November 25, 2014: The Dashboard tool reflects claims paid through August 31, 2014.

2014 First Quarter's VIS Incentive Payment: The first VIS incentive payment to Iowa Wellness Plan Patient Managers is anticipated to be sent out early December, 2014. The Iowa Medicaid Enterprise (IME) is distributing just over **\$84,000** to **198** participating Wellness Patient Managers, averaging a 42 percent award rate. First quarter payments are paid to the Tax ID of the enrolled Wellness Plan Patient Manager. Future VIS bonus distributions will be paid to the Tax ID of the ACO for all enrolled Wellness Plan Patient Managers participating in an ACO.

The IME will also compile and send an ACO report of Patient Managers and VIS Bonus Totals for the first quarter 2014.

2015 VIS Program Updates: The IME has listened to the feedback of our ACO partners during our first year and will be implementing the following changes in our program starting in 2015:

- **Dashboard Hierarchy.** Data from the IME will be reorganized within the dashboard to better reflect patient panels at the NPI level. The reorganized data will also allow the IME to assign a group of Patient Managers at the Billing NPI or Tax ID level which will improve a user's access to all the providers within their organization.
- **VIS Measure Fine Tuning.** With the release of the 2015 program, minor updates to the CRG Grouper, (CRG Grouper v1.2), Potentially Preventable Readmissions (PPR 31) and VIS (v1.4) will be implemented. Please see the document library within the 3MTreo Dashboard for more detailed release notes.
- **2015 Baseline:** Due to the above mentioned updates to the VIS program in 2015, the IME anticipates a release of the 2015 baseline early February 2015. As conducted last year, the IME will send a letter to each enrolled Wellness Plan Patient Manager that has established a baseline for the 2015 program. The IME will also compile a list at the ACO level.

Clarification of Claim Submission for HRA: The IME has released Information Letter 1448 regarding Clarification of Claim Submission for the Health Risk Assessment (HRA). The letter has been uploaded to IMPA and is available [here](#).

Weekly Inpatient Notification Report: In October, the Weekly ACO Inpatient Notification was developed as a tool to inform the ACO when a claim for an Iowa Wellness Plan member has been received regarding an inpatient stay. Please view last month's ACO Partner notification for more information or contact Marni Bussell at mbussel@dhs.state.ia.us.

Monthly Claims Sharing Process: The process to share claims with ACO providers on a monthly basis kicked off in October. If your ACO is interested in receiving claims, please email Marni Bussell at mbussel@dhs.state.ia.us to start the Claims Sharing Process.
