RE: Business Associate Agreement Contract Amendment Notice for Contract # MED-04-034-A

Earlier this year Congress enacted the HITECH Act (Health Information Technology for Economic and Clinical Health Act) which is part of the American Recovery and Reinvestment Act. The HITECH Act made several changes to HIPAA requirements that effect contracts with the Iowa Department of Human Services (DHS).

The most significant change is in HIPAA Security and Privacy Rules. This fully applies to contractors as Business Associates (BA) and each BA is subject to civil and criminal penalties that previously only applied to the Covered Entity (DHS). Other changes include enhanced notification requirements, accounting for Personal Health Information (PHI) disclosures, restrictions of disclosures, and greater emphasis on the minimum necessary rule.

The contract you have with DHS includes a Business Associate Agreement (BAA) and must be amended to comply with the HITECH Act.

**Please review the enclosed amendment and return two signed copies within fifteen calendar days of the date of this letter.** Send the signed copies to:

Jo Ann Cowger  
Iowa Medicaid Enterprise  
100 Army Post Road  
Des Moines, IA 50315  
(515) 725-1111

If you have questions, contact Jo Ann Cowger at the telephone number listed above. After DHS signatures have been obtained, a copy of the Amendment will be sent to you for your records.

Thank you for your assistance.

Sincerely,

Jennifer Vermeer  
Medicaid Director
