EITC VITA Tax Sites for the State of Iowa:

Following is a list of VITA, (Volunteer Income Tax Assistance), sites in Iowa. They will serve low income people who need assistance with filing their federal and state tax returns. The sites are staffed by volunteers who have been certified by the IRS as qualified tax preparers. In many cases, the volunteers can assist a taxpayer with back taxes, too. Many of these sites are NOT open all the time. It's always a good idea to call for hours of operation. Many sites will serve by appointment-only and some are drop-in only. These are not the only sites in Iowa for free tax preparation assistance. AARP also operates a volunteer program that is targeted to elderly taxpayers. This list may be updated at any time during the tax filing season. For more information and a complete list of sites in Iowa see:

http://www.dhs.state.ia.us/Consumers/Assistance_Programs/CashAssistance/eitc.html#search='earned%20income%20tax%20credit'

These sites are organized by a network of non-profit partners, ISU Extension offices, local governments, and ISED Ventures with funding from the State of Iowa, the IRS, volunteers, and the generosity of hundreds of Iowans.

Please see the attached listing of VITA tax sites for the location nearest you.
