Amendment 1				
Section	Revision Description			
RFP Purpose	<p>All vendors should become familiar with the other sets of services the Agency is procuring through multiple requests for proposal to manage and ensure success of this project. Specifically the RFPs are Project Oversight, Management and Integration Services (POMI) for the MMIS Implementation Project MED-12-013, MED-12-029, Independent Verification and Validation Services (IVV) for the MMIS Implementation Project MED-12-017, and Project Director Services for the MMIS Implementation Project MED-12-018.</p>			
Bidder Eligibility Requirements	<p>Likewise the bidder winning the contract resulting from this award may not be the same bidder that is awarded a contract for any of the following:</p> <ul style="list-style-type: none"> • RFP MED-12-013, MED-12-029, Project Oversight, Management and Integration Services for the MMIS Implementation Project. 			
1.8	<p>The Agency will have an independent Project Oversight, Management, and Integration Services (POMI) contractor and an Independent Verification and Validation Services (IVV) contractor. The POMI contractor will be on-site and the IVV contractor will be on-site periodically. The activities included within this scope of work are intended to be different from those performed by the POMI (MED-12-013) (MED-12-029) or IVV (MED-12-017) contractors. However, it is strongly encouraged that the successful QA/QC contractor work closely with the IVV and POMI contractor to ensure there is no duplication of effort and that all activities are complementary.</p>
