

Important Information about Prescriptions

Members who are currently enrolled with CoOpportunity Health in the Iowa Marketplace Choice Plan will continue to receive coverage through CoOpportunity until November 30, 2014. This coverage includes prescription drugs.

CoOpportunity will not cover any prescription costs past November 30, 2014. If you have a prescription filled by the end of the month you may only receive enough doses of the drug to last until November 30, 2014. This means that you may only be given the same number of doses/pills as there are days left in the month.

Beginning December 1, 2014, you will receive your prescription and health coverage through Iowa Medicaid. You will need to work with your Medicaid providers to get your prescriptions filled. Your pharmacy will then send the claim to Iowa Medicaid.

It is important to work with your provider to get the prescriptions that you need beginning December 1, 2014. Please contact your Medicaid provider to get your prescription(s).

If you have questions about your health coverage call Iowa Medicaid Member Services at 1-800-338-8366, or 515-256-4606 in the Des Moines area, 8 a.m. – 5 p.m., Monday- Friday.
