MED-10-013

It is the intent of the Iowa Department of Human Services, Iowa Medicaid Enterprise, to release a request for proposal (RFP) for Program Integrity Services on or around November 2, 2009.

This RFP will include the Surveillance and Utilization Review services (SURS) currently described in MED-10-001 and additional enhancements to the program integrity functions.

The Department will amend MED-10-001 to remove the SURS component of the Professional Services RFP and incorporate it in the new Program Integrity RFP.
