Gov. Terry E. Branstad on June 6, 2014, issued a proclamation of disaster emergency and activated the Iowa Individual Assistance Program for Cass, Harrison, Montgomery, and Ringgold counties in response to recent storms. Additionally, Pottawattamie County, which was already declared to be under a disaster emergency on Tuesday, June 3, 2014, was opened to individual assistance.

The Iowa Individual Assistance Program provides grants of up to \$5,000 for households with incomes up to 200 percent of the federal poverty level, or a maximum annual income of \$39,580, for a family of three.

Grants are available for home or car repairs, replacement of clothing or food, and for the expense of temporary housing. Original receipts are required for those seeking reimbursement for actual expenses related to storm recovery.
