

CPS Assessment - Case Disposition Decision Tree

* If the case meets criteria for community care referral, conduct the need consideration.		
♦ Does the family need assistance to prevent future incidents of abuse?	Yes	No
♦ Does the family need support beyond current formal or informal systems?	Yes	No
♦ Is the parent willing to be referred to Community Care Services?	Yes	No
		♦ If you have answered yes to all, refer to Community Care.
		♦ If you have answered no to any, consider information and referral or information only and close case.
