The letter advised you that failure to reply within 30 days could result in disciplinary action, including revocation. You failed to provide the requested information in the time frame specified. In addition, you received a deferred conviction of operating while intoxicated on September 15, 2009. Complete information was received on January 28, 2010.

You are hereby **CITED** for failing to respond to the Department's request for information, and violating a statute of the state of Iowa . You are **WARNED** that failing to respond to a request of the Department, or violating a statute of the state of Iowa in the future may result in further disciplinary action, including suspension or revocation of your EMS certification.

You have the right to request a hearing concerning this notice of disciplinary action. A request for a hearing must be submitted in writing to the Department by certified mail, return receipt requested, within twenty (20) days of receipt of this Notice of Proposed Action. Prior to or at the hearing, the Department may rescind the notice upon satisfaction that the reason for the action has been or will be removed.

If no request for a hearing is received within the twenty (20) day time period, the disciplinary action proposed herein shall become effective and shall be final agency action.
