#### October 2014 Facts:

Wow! The total sales for the month of October were \$279,858.51. This is the highest monthly sales for the Wireless EBT Project since it began back in 2005. The total yearly sales for 2014 have already surpassed last year's sales with two months to go. I can't tell you how much I enjoy working with all of you and very much appreciate your dedication to the Wireless EBT Project!

In October 2014, there were 188,723 Food Assistance/EBT families in Iowa. \$44,744,855 in benefits were issued in October to these families.

Here are other interesting facts regarding October sales:

There were 101 farmers who were active in October and 93 of those had EBT sales. The farmers with the highest EBT transactions were:

- ❖ Country Market (128) Sioux City
- ❖ Hoffman Produce Farm (74) Waterloo
- ❖ DeMoss Pumpkin Farm (30) Ames
- ❖ Scavo's Market (27) Des Moines
- ❖ Litteaus Garden Produce (20) Waterloo
- ❖ Hollow Maple Farm (19) Bennett
- ❖ Rinehart's Family Farm (18) Boone
- ❖ Grossman Meats (17) Preston
- ❖ Harvest Barn (16) Weldon
- ❖ Yoder's Natural Farm (16) Bloomfield
- ❖ Appleberry Farm (14) Marshalltown

Congratulations go out to Country Market for having the highest amount of EBT transactions and to Hoffman Produce Farm for having the highest amount in EBT sales. Congratulations to both!

## Changes to your contact information?

It is very important that DHS has your current e-mail addresses and your correct phone numbers. Tracy sends out a lot of important information and if DHS does not have your current information you could be missing out on important information. Please make sure that if you change your e-mail address or you drop or pick up a new phone number that you share that information with Tracy.

## Paper for your wireless machine

Just a reminder that DHS supplies the paper rolls for your wireless machines. It is imperative that you use thermal paper or it could ruin your machine. Please do not use any other type of paper in your wireless machine other than the paper that DHS supplies. If you are running low on paper, please give Tracy a call.

## Reminders:

1. Remember that you cannot ring up a sale for another vendor. You could lose your Food Stamp certification and be terminated from the Wireless Project.
2. Since you are paying for the commercial transaction fees, be sure to keep track of what you are paying so you can use those expenses as a tax deduction.

3. You cannot set a minimum purchase amount. If an EBT household wishes to purchase \$.50 in onions, you do need to process the transaction. Same for any debit or credit transaction.
4. Hot foods and hot drinks (cocoa, coffee, and tea) cannot be purchased with SNAP EBT benefits.
5. If your Nurit machine quits working, you need to call TMS Tech Support at 1-888-848-6825. This is the phone number on the side of your machine. If you can't get the problem solved, please give Tracy a call.
6. If your VeriFone machine quits working, you will need to call Jason Butts at 402-574-7086 or Chris Shanahan at 402-574-7016. If you can't get the problem solved, please give Tracy a call.
7. Call Tracy if you need any supplies such as paper rolls, power cords, or battery.
8. The second battery that we provide to you was purchased by DHS. If you ever need to return your wireless machine, be sure to keep one battery, carrying case and signs.
9. **Charge your batteries before market.** You should always have a charged battery, ready to go for market. If a battery is not holding a charge, contact Tracy for a replacement.
