Dear Child Care Provider,

This letter is in regards to the September 18, 2013 compliance check of your Level B, Registered Child Development Home. Iowa Code Chapter 237A and 441 Iowa Administrative Code, Chapter 110, describes specific requirements that must be met by a Registered Child Development Home. The following areas were out of compliance at the time of my visit:

110.5(8) Children's Files

110.5(8) An individual file is maintained for each child and updated annually or when there are changes. Each file contains:

110.5(8)c A signed medical consent from the parent authorizing emergency treatment.

110.9(1) SPECIFIC REQUIREMENTS FOR CHILD DEVELOPMENT HOME
CATEGORY "B" On the date of the compliance check, the provider was in compliance with the number of children were present. This is a reminder for the provider as to what registration allows.

110.9(1)a Not more than six preschool children present at any one time including infants.

110.9(1)b Of these six children, not more than four children who are 24 months of age or younger are present at any one time.

110.9(1)b Of the four children under 24 months of age, no more than three may be 18 months of age or younger.

110.9(1)c Not more than four additional school-age children.

110.9(1)d Not more than two children who are receiving care on a part-time basis at any one time.

110.9(1)e Not more than 12 children present when the emergency school closing exception is in effect.

110.9(1)f When more than 8 children are present for more than two hours, a DHS-approved assistant at least 14 years old is present.

Non-compliance with any of the mandated regulatory requirements listed above may lead to the cancellation or revocation of your Child Development Home Registration. **Please take whatever steps are necessary to completely address each of the violations noted above. It is essential you correct all above-mentioned violations within the next 45 days.**

Based on the items out of compliance listed above, a recheck or follow up visit to your home is not necessary. However, it is essential you provide documentation to the Department that certifies you have corrected each of the identified regulatory violations and are now in complete compliance with all Departmental regulatory mandates. **Please check mark each of the boxes listed above when the necessary corrections have been completed. By doing so, you certify that you have completed all of the mandated regulatory requirements contained within each identified section.**

I certify that I have taken all of the steps necessary to correct each of the identified violations noted above and am now in complete compliance with all of the Departmental mandated regulatory rules.

**Please sign and date below, and return this form in the provided envelope by:
November 30, 2013.**
