INFORMATIONAL LETTER NO. 1339

DATE: January 9, 2014
TO: Iowa Medicaid Pharmacies
ISSUED BY: Iowa Department of Human Services, Iowa Medicaid Enterprise (IME)
RE: Pharmacy Cost of Dispensing Survey
EFFECTIVE: February 3, 2014

Background:

During the 2013 Iowa Legislative session, the 85th Iowa General Assembly enacted the requirement that the Department of Human Services (DHS) base the actual dispensing fee on the cost of dispensing survey performed by the department. The survey is required to be completed by all medical assistance program participating pharmacies every two years beginning in SFY14 to SFY15. Any dispensing fee expenses required to be submitted under Senate File 446 that specifically identifies a pharmacy or a provider's individual cost will remain confidential. Any change to the dispensing fee requires that the department obtain approval from the Centers for Medicare and Medicaid Services (CMS) through the state plan process.

Process:

The IME has contracted with the firm of Myers and Stauffer LC to conduct a dispensing cost survey. Myers and Stauffer is a national accounting and consulting firm that specializes in assisting state Medicaid agencies in a multitude of health care provider settings. Instructions for completion of the cost of dispensing survey will be included with the survey packet to be mailed in February 2014.
