RE: Request for Proposal (RFP)-Money Follows the Person Community Reinvestment Initiative (MFPCRI) MED-15-016

EFFECTIVE: August 28, 2014

As part of the Money Follows the Person Program, the IME is releasing a RFP to solicit applications from eligible ICF/ID providers committed to transitioning to the Home and Community Based Services (HCBS) waiver programs. The MFPCRI Grant Program will provide funding to assist ICF/ID providers with the costs associated with transitioning to the HCBS waiver programs. The funding for the MFPCRI Grant Program is established through Money Follows the Person Rebalancing dollars. The MFPCRI program will accept proposals from ICF/ID providers that are transitioning their residents out of their facilities, into HCBS and closing the facility.

The bidder requirements, uses of funds procurement timetable, scope of work, as well as other relevant details are found in the RFP on the [State of Iowa Bid Opportunities](#)¹ DHS website. The IME may periodically release similar RFPs in the future if MFP rebalancing funds are available.

For more information, please go to [Money Follows the Person](#)² on the DHS website.

If you have any questions please contact Stephanie Clark, with the IME Contract Administration Office, at 515-256-4646.
