Dear Child Care Provider,

This letter is in regards to the 10-9-2015 compliance check of your Level C, Registered Child Development Home. Iowa Code Chapter 237A and 441 Iowa Administrative Code, Chapter 110, describes specific requirements that must be met by a Registered Child Development Home. The following areas were out of compliance at the time of my visit:

441 IAC 110.5(1)"a" The home shall have a nonpay, working land-line or mobile telephone with emergency numbers posted for police, fire, ambulance, and the poison information center. The number for each child's parent, for a responsible person who can be reached when the parent cannot, and for the child's physician shall be written on paper and readily accessible by the telephone. The home must prominently display all emergency information, and all travel vehicles must have a paper copy of emergency parent contact information (Will put parents numbers. Doesn't transport often- wll get before transporting)

441 IAC 110.5(1)"p" Children under the age of one year shall be placed on their backs when sleeping unless otherwise authorized in writing by a physician. (pack n play, one crib not up, child sleeping on tummy on couch)

441 IAC 110.5(8) Children's Files. An individual file is maintained for each child and updated annually or when there are changes. Each file contains:

441 IAC 110.5(8) "e". A statement of health condition signed by a physician or designee submitted annually from the date of the admission physical. For a child who is five years of age or older and enrolled in school, a statement of health status signed by the parent or legal guardian may be substituted for the physician statement. (Vancer, Elliana)
