Dear Child Care Provider,

This letter is in regards to the 10/5/15 compliance check of your Level B, Registered Child Development Home. Iowa Code Chapter 237A and 441 Iowa Administrative Code, Chapter 110, describes specific requirements that must be met by a Registered Child Development Home. The following areas were out of compliance at the time of my visit:

FINDINGS: *Identify FINDINGS in each area of non-compliance.*

- 441 IAC 110.5(1) Conditions in the home are safe, sanitary, and free of hazards.
- 441 IAC 110.5(1)"c" A first-aid kit shall be available and easily accessible whenever children are in the child development home, in the outdoor play area, in vehicles used to transport children, and on field trips. The kit shall be sufficient to address first aid related to minor injury or trauma and shall be stored in an area inaccessible to children. The kit shall, at a minimum, include adhesive bandages, antiseptic cleaning materials, **disposable tweezers**, and disposable plastic gloves. **You need a pair of tweezers, contact CCRR.**
- 441 IAC 110.5(8) Children's Files. An individual file is maintained for each child and updated annually or when there are changes. Each file contains: **Enclosed is the sheet that I used to review the files.**
- 441 IAC 110.5(8) "d". An admission physical examination report signed by a licensed physician or designee in a clinic supervised by a licensed physician
 - (1) The date of the physical examination shall not be more than 12 months before the child's first day of attendance at the child development home.
 - (2) The written report shall include past health history, status of present health, allergies and restrictive conditions, and recommendations for continued care when necessary.
 - (3) For a child who is five years of age or older and enrolled in school, a statement of health status signed by the parent or legal guardian may be substituted for the physical examination report.
 - (4) The examination report or statement of health status shall be on file before the child's first day of care
- 441 IAC 110.5(8) "e". A statement of health condition signed by a physician or designee submitted annually from the date of the admission physical. For a child who is five years of age or older and enrolled in school, a statement of health status signed by the parent or legal guardian may be substituted for the physician statement.
- 441 IAC 110.5(8) "g". A signed and dated immunization certificate provided by the state department of public health. For the school-age child, a copy of the most recent immunization record shall be acceptable.

Non-compliance with any of the mandated regulatory requirements listed above may lead to the cancellation or revocation of your Child Development Home Registration. **Please take whatever steps are necessary to**

completely address each of the violations noted above. It is essential you correct all above-mentioned violations.

Based on the items out of compliance listed above, you will be required to have a recheck or follow up visit to your home. **If you show proof that you have tweezers I will not be returning after the date below.**

Based on the items out of compliance listed above, a recheck or follow up visit to your home is not necessary. However, it is essential you provide documentation to the Department that certifies you have corrected each of the identified regulatory violations and are now in complete compliance with all Departmental regulatory mandates. **Please check mark each of the boxes listed above when the necessary corrections have been completed. By doing so, you certify that you have completed all of the mandated regulatory requirements contained within each identified section.**

I certify that I have taken all of the steps necessary to correct each of the identified violations noted above and am now in complete compliance with all of the Departmental mandated regulatory rules. Please sign and date below, and return this form in the provided envelope by: 11/19/15
