Dear Child Care Provider,

This letter is in regards to the 10/22/15 compliance check of your Level C1, Registered Child Development Home. Iowa Code Chapter 237A and 441 Iowa Administrative Code, Chapter 110, describes specific requirements that must be met by a Registered Child Development Home. The following areas were out of compliance at the time of my visit:

FINDINGS: *Identify FINDINGS in each area of non-compliance.*

441 IAC 110.5(1) Conditions in the home are safe, sanitary, and free of hazards.

441 IAC 110.5(1)"m" The home shall have at least one 2A 10BC rated fire extinguisher located in a visible and readily accessible place on each child-occupied floor. **CCRR confirmed they will be bringing you a new fire extinguisher for upstairs.**

Suggestions for Improvement:

When I spoke to you about what may be needed for refrigerated medication, you stated you would rather have a lock box not a refrigerator lock. The Department encourages all medications be inaccessible from children. Please contact CCRR about any requirement changes if you have any medication that needs to be refrigerated.

Non-compliance with any of the mandated regulatory requirements listed above may lead to the cancellation or revocation of your Child Development Home Registration. **Please take whatever steps are necessary to completely address each of the violations noted above. It is essential you correct all above-mentioned violations.**

Based on the items out of compliance listed above, a recheck or follow up visit to your home is not necessary. However, it is essential you provide documentation to the Department that certifies you have corrected each of the identified regulatory violations and are now in complete compliance with all Departmental regulatory mandates. **Please check mark each of the boxes listed above when the necessary corrections have been completed. By doing so, you certify that you have completed all of the mandated regulatory requirements contained within each identified section.**

I certify that I have taken all of the steps necessary to correct each of the identified violations noted above and am now in complete compliance with all of the Departmental mandated regulatory rules.

Please sign and date below, and return this form in the provided envelope by: 12/8/15
