Dear Tammy,

This letter is in regards to the 9/29/15 compliance check of your Level B, Registered Child Development Home. Iowa Code Chapter 237A and 441 Iowa Administrative Code, Chapter 110, describes specific requirements that must be met by a Registered Child Development Home. The following areas were out of compliance at the time of my visit:

**FINDINGS:** *Identify FINDINGS in each area of non-compliance.*

441 IAC 110.5(1) Conditions in the home are safe, sanitary, and free of hazards.

441 IAC 110.5(1)"a" The home shall have a nonpay, working land-line or mobile telephone with emergency numbers posted for police, fire, ambulance, and the poison information center. The number for each child's parent, for a responsible person who can be reached when the parent cannot, and for the child's physician shall be written on paper and readily accessible by the telephone. The home must prominently display all emergency information, and all travel vehicles must have a paper copy of emergency parent contact information

**Tammy will place a copy of her emergency contact sheet in her transport vehicle.**

441 IAC 110.5(1)"c" A first-aid kit shall be available and easily accessible whenever children are in the child development home, in the outdoor play area, in vehicles used to transport children, and on field trips. The kit shall be sufficient to address first aid related to minor injury or trauma and shall be stored in an area inaccessible to children. The kit shall, at a minimum, include adhesive bandages, antiseptic cleaning materials, disposable tweezers, and disposable plastic gloves.

**Tammy will place disposable tweezers in her auto first aid kit.**

441 IAC 110.5(2) A provider file is maintained and contains:

441 IAC 110.5(2)"a" A physician's examination report for the provider and all members of the household. Acceptable physical examinations shall be documented on Form 470-5152, Child Care Provider Physical Examination Report. The examination shall include any necessary testing for communicable diseases; a discussion of recommended vaccinations; completed no more than six months prior to initial registration; completed by a licensed medical doctor, doctor of osteopathy, physician assistant or advanced registered nurse practitioner; and repeated at least every three years.

**Tammy needs to provide documentation of current physicals for Emily, Allison, Jeff and herself on approved form.**

441 IAC 110.5(8) Children's Files. An individual file is maintained for each child and updated annually or when there are changes. Each file contains:

441 IAC 110.5(8) "e". A statement of health condition signed by a physician or designee submitted annually from the date of the admission physical. For a child who is five years of age or older and enrolled in school, a statement of health status signed by the parent or legal guardian may be substituted for the physician statement.

**Need updated physical for E.V.**

**Suggestions for Improvement:**

**N/A**

Non-compliance with any of the mandated regulatory requirements listed above may lead to the cancellation or revocation of your Child Development Home Registration. **Please take whatever steps are necessary to completely address each of the violations noted above. It is essential you correct all above-mentioned violations by 11/16/15.**

Based on the items out of compliance listed above, you will be required to have a recheck or follow up visit to your home on or after **11/16/15**.

Please do not hesitate to contact me at DHS at 319-208-5521 if you have any questions regarding this letter.
