Dear Stephanie,

This letter is in regards to the 11/2/15 compliance check of your Level B, Registered Child Development Home. Iowa Code Chapter 237A and 441 Iowa Administrative Code, Chapter 110, describes specific requirements that must be met by a Registered Child Development Home. The following areas were out of compliance at the time of my visit:

FINDINGS: *Identify FINDINGS in each area of non-compliance.*

441 IAC 110.5(1) Conditions in the home are safe, sanitary, and free of hazards.

Stephanie needs to keep her emergency egress exit in the basement clear of all obstructions. This worker observed a two year old child wearing an amber necklace for teething. This worker had the provider take the necklace off of the child and inform the child's parents that this cannot be worn during daycare hours due to choking hazard concerns.

441 IAC 110.5(1)"h" A safe outdoor play area shall be maintained in good condition throughout the year. The play area shall be fenced off when located on a busy thoroughfare or near a hazard which may be injurious to a child, and shall have both sunshine and shade areas. The play area shall be kept free from litter, rubbish, and flammable materials and shall be free from contamination by drainage or ponding of sewage, household waste, or storm water.

Stephanie needs to anchor her metal swingset to the ground.

441 IAC 110.5(2) A provider file is maintained and contains:

441 IAC 110.5(2)"a" A physician's examination report for the provider and all members of the household. Acceptable physical examinations shall be documented on Form 470-5152, Child Care Provider Physical Examination Report. The examination shall include any necessary testing for communicable diseases; a discussion of recommended vaccinations; completed no more than six months prior to initial registration; completed by a licensed medical doctor, doctor of osteopathy, physician assistant or advanced registered nurse practitioner; and repeated at least every three years.

Stephanie needs to provide documentation of physicals for Malena and Claytin on approved form.

441 IAC 110.5(2)"c" An individual file is maintained for each staff assistant and contains:

(1) Documentation from the department confirming the record checks required under subrule 110.7(3) have been completed and authorizing or conditionally limiting the person's involvement with child care

(2) A completed Form 470-5152, Child Care Provider Physical Examination Report. The examination shall include any necessary testing for communicable diseases; a discussion of recommended vaccinations; completed no more than six months prior to approval to assist or be a household member; completed by a licensed medical doctor, doctor of osteopathy, physician assistant or advanced registered nurse practitioner; and repeated at least every three years.

Stephanie needs to provide documentation of current physical for Malena on approved form.

441 IAC 110.5(3) Activity Program. There is an activity program and it promotes self-esteem and exploration.

a. Activity program includes active play.

b. Activity program includes quiet play.

c. Activity program includes activities for large muscle development, such as running, climbing and riding toys.

d. Activity program includes activities for small muscle development, such as coloring, puzzles, finger plays and play dough.

e. Play equipment and materials in a safe condition, for both indoor and outdoor activities which are developmentally appropriate for the ages and number of children present.

Please refer to 110.5(1)h.

441 IAC 110.5(8) Children's Files. An individual file is maintained for each child and updated annually or when there are changes. Each file contains:

441 IAC 110.5(8) "e". A statement of health condition signed by a physician or designee submitted annually from the date of the admission physical. For a child who is five years of age or older and enrolled in school, a statement of health status signed by the parent or legal guardian may be substituted for the physician statement.

Need updated school-aged health status for H.S.

441 IAC 110.5(8) "f". A list signed by the parent which names persons authorized to pick up the child. The authorization shall include the name, telephone number, and relationship of the authorized person to the child.

Need information on form for H.S.
