Dear Child Care Provider,

This letter is in regards to the October 20, 2015 compliance check of your Level C, Registered Child Development Home. Iowa Code Chapter 237A and 441 Iowa Administrative Code, Chapter 110, describes specific requirements that must be met by a Registered Child Development Home. The following areas were out of compliance at the time of my visit:

441 IAC 110.5(2) A provider file is maintained and contains:

441 IAC 110.5(2)“a” A physician’s examination report for the provider and all members of the household . Acceptable physical examinations shall be documented on Form 470-5152, Child Care Provider Physical Examination Report. The examination shall include any necessary testing for communicable diseases; a discussion of recommended vaccinations; completed no more than six months prior to initial registration; completed by a licensed medical doctor, doctor of osteopathy, physician assistant or advanced registered nurse practitioner; and repeated at least every three years.

Findings: Need to have the attached Child care Provider Physical Exam Report completed by a physician for your children.

441 IAC 110.5(2)“b” (1) Certificates or training verification and record check documentation.

During the first year of registration, the provider shall receive a minimum of 12 hours of training from one or more of the following content areas. The provider shall receive at least 6 of these hours in a group setting. A provider shall not use a specific training or class to meet minimum continuing education requirements more than one time every five years.

During the second year of registration and each succeeding year, twelve hours of approved training. At least six hours shall be in a group setting.

A provider who submits documentation from a child care resource and referral agency that the provider has completed the Iowa Program for Infant/Toddler Care (IA PITC), ChildNet, or Beyond Business Basics training series may use those hours to fulfill a maximum of two years’ training requirements, not including first-aid and mandatory reporter training

Findings: You could not show documentation of any of the 12 hours of training for the first year of your registration. You will want to contact Child Care Registration at 866-448-4605 to find out what affect this will have on your renewal process when it occurs. (Unless you are participated in IA PITC, Childnet, or Beyond Business Basics training series.)

You need to complete the training and provide documentation as soon as possible.

441 IAC 110.5(8) Children's Files. An individual file is maintained for each child and updated annually or when there are changes. Each file contains:
