Dear Child Care Provider,

This letter is in regards to the 9-22-15 compliance check of your Level B, Registered Child Development Home. Iowa Code Chapter 237A and 441 Iowa Administrative Code, Chapter 110, describes specific requirements that must be met by a Registered Child Development Home. The following areas were out of compliance at the time of my visit:

441 IAC 110.5(8) "g". A signed and dated immunization certificate provided by the state department of public health. For the school-age child, a copy of the most recent immunization record shall be acceptable. (1)

Based on the items out of compliance listed above, a recheck or follow up visit to your home is not necessary. However, it is essential you provide documentation to the Department that certifies you have corrected each of the identified regulatory violations and are now in complete compliance with all Departmental regulatory mandates. **Please check mark each of the boxes listed above when the necessary corrections have been completed. By doing so, you certify that you have completed all of the mandated regulatory requirements contained within each identified section.**

I certify that I have taken all of the steps necessary to correct each of the identified violations noted above and am now in complete compliance with all of the Departmental mandated regulatory rules.

Please sign and date below, and return this form in the provided envelope by: 10-6-15
