Dear Child Care Provider,

This letter is in regards to the March 24, 2014 compliance check of your Level B, Registered Child Development Home. Iowa Code Chapter 237A and 441 Iowa Administrative Code, Chapter 110, describes specific requirements that must be met by a Registered Child Development Home. The following areas were out of compliance at the time of my visit:

- 110.5(1)k Fire and tornado drills are practiced monthly and documentation kept. (needs to document for 2014)
- 110.5(1)q Providers inform parents of the presence of any pet in the child development home. (Dog is home only on weekends.)
- 110.5(9)d If absence is planned, care is provided by a DHS-approved substitute. (No sub, parents find other care.)

Non-compliance with any of the mandated regulatory requirements listed above may lead to the cancellation or revocation of your Child Development Home Registration. **Please take whatever steps are necessary to completely address each of the violations noted above. It is essential you correct all above-mentioned violations within the next 45 days.**

Based on the items out of compliance listed above, you will be required to have a recheck or follow up visit to your home. This visit will occur after the 45 day time period has elapsed.

Please do not hesitate to contact me at DHS at 641-421-1219 if you have any questions regarding this letter.

Sincerely,
