Dear Child Care Provider,

This letter is in regards to the 9/30/15 compliance check of your Level _____, Registered Child Development Home. Iowa Code Chapter 237A and 441 Iowa Administrative Code, Chapter 110, describes specific requirements that must be met by a Registered Child Development Home. The following areas were out of compliance at the time of my visit:

441 IAC 110.5(1)"q" Providers shall inform parents of the presence of any pet in the home.

(1) Each dog or cat in the household shall undergo an annual health examination by a licensed veterinarian. Acceptable veterinary examinations shall be documented on Form 470-5153, Veterinary Health Certificate. This examination shall verify that the animal's routine immunizations, particularly rabies, are current and that the animal shows no evidence of endoparasites (roundworms, hookworms, whipworms) and ectoparasites (fleas, mites, ticks, lice).

This information needs to be on the new form 470-5153

441 IAC 110.5(2)"a" A physician's examination report for the provider and all members of the household. Acceptable physical examinations shall be documented on Form 470-5152, Child Care Provider Physical Examination Report. The examination shall include any necessary testing for communicable diseases; a discussion of recommended vaccinations; completed no more than six months prior to initial registration; completed by a licensed medical doctor, doctor of osteopathy, physician assistant or advanced registered nurse practitioner; and repeated at least every three years.

This needs to be updated on new form 470-5152. You could not locate at the time of my visit.

Within the first three months of registration :

Two hours of approved child abuse and neglect mandatory reporter training (and every 5 years thereafter.)

You could not find this at the time of my visit. Please locate certificate or retake training.

Suggestions for Improvement:

File your certificates in provider fileas soon as you get them to avoid loss or separation from other documents.

Non-compliance with any of the mandated regulatory requirements listed above may lead to the cancellation or revocation of your Child Development Home Registration. **Please take whatever steps are necessary to completely address each of the violations noted above. It is essential you correct all above-mentioned violations.**

Based on the items out of compliance listed above, a recheck or follow up visit to your home is not necessary. However, it is essential you provide documentation to the Department that certifies you have corrected each of the identified regulatory violations and are now in complete compliance with all Departmental regulatory mandates. **Please check mark each of the boxes listed above when the necessary corrections have been completed. By doing so, you certify that you have completed all of the mandated regulatory requirements contained within each identified section.**

I certify that I have taken all of the steps necessary to correct each of the identified violations noted above and am now in complete compliance with all of the Departmental mandated regulatory rules.

Please sign and date below, and return this form in the provided envelope by: November 5, 2015.
