Summary of Complaint:

Child has burns on top of both hands. The complainant states that Urgent Care determined that the burns were caused by chemicals, steam or something hot.

Licensing Rules Relevant to the Complaint:

109.8(2)d Ratio in infant rooms is always maintained.

Inspection Findings:

Visited center on 9-24-13. Talked with Marcy V. onsite supervisor, Andrea W and Violet D. Observed the infant room. There were no observable items in the infant room that would cause burns. The only chemical that is used in this room is bleach water to sanitize the diaper changing table. Reviewed child's file. It did not contain any injury reports. All staff stated that they were unaware of any injuries to the child. All stated that nothing out of the ordinary happened during the time the child was at the center. It appears that the child did not obtain any injuries at the center.
