Dear Rosa,

This letter is in regards to the 1-23-2014 compliance check of your Level A, Registered Child Development Home. Iowa Code Chapter 237A and 441 Iowa Administrative Code, Chapter 110, describes specific requirements that must be met by a Registered Child Development Home. The following areas were out of compliance at the time of my visit:

- 110.5(1)k Fire and tornado drills are practiced monthly and documentation kept (was keeping but stopped, will start again)
- 110.5(2)c An individual file is maintained for each staff assistant and contains:
- 110.5(2)c A physician's signed statement of health and immunization status at the time of employment and at least every two years thereafter.
- 110.5(2)c Certification of two hours of approved training relating to identification and reporting of child abuse within 6 months of employment and repeated every 5 years (needs to get Bruce's copy).
- 110.5(2)d An individual file is maintained for each substitute and contains:
- 110.5(2)d A physician's signed statement of health of at the time of employment and at least every two years thereafter.
- 110.5(2)d Certification in infant and child first aid that includes mouth-to-mouth resuscitation. If they are unable to locate first aid training that includes mouth-to-mouth resuscitation, they must complete both a first aid course and CPR (Bruce's).
- 110.5(8) Children's Files-below documentation:
- 110.5(8)e For infants and preschoolers: A statement of health signed by a physician submitted annually.
- 110.5(8)i Written permission from the parent(s) for their child to attend activities away from the child development home. It must include times of arrival and departure, destination, and person(s) responsible for the child. Get's verbal, will start getting written.

110.5(10)e The provider maintains a written record of the number of hours substitute care is provided, including the date and the name of the substitute. Rosa will start documenting.

110.5(1)u The provider has written policies about caring for mildly ill children and the exclusion of children due to illness, and informs parents of policies. Rosa has but can't find, she will locate and put in her folder.

Non-compliance with any of the mandated regulatory requirements listed above may lead to the cancellation or revocation of your Child Development Home Registration. **Please take whatever steps are necessary to completely address each of the violations noted above. It is essential you correct all above-mentioned violations within the next 45 days.**

Based on the items out of compliance listed above, you will be required to have a recheck or follow up visit to your home. This visit will occur after the 45 day time period has elapsed.

**I certify that I have taken all of the steps necessary to correct each of the identified violations noted above and am now in complete compliance with all of the Departmental mandated regulatory rules.**

**Please sign and date below, and return this form in the provided envelope by: 2-24-2014**
