Dear Child Care Provider,

This letter is in regards to the April 25, 2014 compliance check of your Level A, Registered Child Development Home. Iowa Code Chapter 237A and 441 Iowa Administrative Code, Chapter 110, describes specific requirements that must be met by a Registered Child Development Home. The following areas were out of compliance at the time of my visit:

110.5(2) A provider file is maintained and contains:

110.5(2)b Certification by an approved trainer/organization in infant and child first-aid that includes mouth-to-mouth resuscitation. Certification will be maintained throughout period of registration. If they are unable to locate first aid training that includes mouth-to-mouth resuscitation, they must complete both a first aid course and CPR. (scheduled in May)

110.5(8) Children's Files

110.5(8) An individual file is maintained for each child and updated annually or when there are changes. Each file contains:

110.5(8)d For infants and preschoolers: An admission physical examination, on the first day of attendance, including past health history, status of present health, allergies and restrictive conditions, and recommendations for continued care when necessary. The date of the exam is not more than 12 months before the child's first day of attendance. (Addison)

110.5(8)e For infants and preschoolers: A statement of health signed by a physician submitted annually. (Andre and Andrick)

110.5(8)g A signed and dated immunization certificate provided by the state department of public health. (Addison)

Non-compliance with any of the mandated regulatory requirements listed above may lead to the cancellation or revocation of your Child Development Home Registration. **Please take whatever steps are necessary to completely address each of the violations noted above. It is essential you correct all above-mentioned violations within the next 45 days.**

Based on the items out of compliance listed above, you will be required to have a recheck or follow up visit to your home. This visit will occur after the 45 day time period has elapsed.

Please check mark each of the boxes listed above when the necessary corrections have been completed. By doing so, you certify that you have completed all of the mandated regulatory requirements contained within each identified section.

I certify that I have taken all of the steps necessary to correct each of the identified violations noted above and am now in complete compliance with all of the Departmental mandated regulatory rules.
