Dear Child Care Provider,

This letter is in regards to the 11-12-15 compliance check of your Level B, Registered Child Development Home. Iowa Code Chapter 237A and 441 Iowa Administrative Code, Chapter 110, describes specific requirements that must be met by a Registered Child Development Home. The following areas were out of compliance at the time of my visit:

- (4) All animal waste shall be immediately removed from the children's areas and properly disposed of. Children shall not perform any feeding or care of pets or cleanup of pet waste.
- (1) Documentation from the department confirming the record checks required under subrule 110.7(3) have been completed and authorizing or conditionally limiting the person's involvement with child care

441 IAC 110.5(8) "e". A statement of health condition signed by a physician or designee submitted annually from the date of the admission physical. For a child who is five years of age or older and enrolled in school, a statement of health status signed by the parent or legal guardian may be substituted for the physician statement.

Non-compliance with any of the mandated regulatory requirements listed above may lead to the cancellation or revocation of your Child Development Home Registration. **Please take whatever steps are necessary to completely address each of the violations noted above. It is essential you correct all above-mentioned violations.**

Based on the items out of compliance listed above, you will be required to have a recheck or follow up visit to your home.

Please do not hesitate to contact me at DHS at 641-421-1219 if you have any questions regarding this letter.

Sincerely,

Amanda Nash
