

IME PROGRAM INTEGRITY RFP MED-10-013 AMENDMENT 3

WHEREAS the Department has determined it is necessary to amend RFP MED-10-013 to include the changes listed in the Revision History for Amendment 3

THEREFORE RFP MED-10-013 is amended as follows. In this amendment document and in the RFP's Revision History, new text added to existing requirements is in boldface font, and deleted text is marked through with a line (~~deleted text~~).

The IME Program Integrity RFP is reposted with these changes listed in the revision history. They are not incorporated in the cited sections with the boldface or strike-through markings. Rather, the text is fully and completely updated in the RFP sections.

Amendment 02	
Section	Revision Description
6.2.4.2	Modify item a: a. The IME Program Integrity Medical Director leads the MVM team in the evaluation and analysis of program date data and developing project goals.
6.2.4.3	Modify item c: c. Achieve state fiscal year savings (through cost avoidance) of at least \$1 million annually from the projects.
7.1	Delete original item e, renumber original items f through n, and modify new item i: e. Bidders submitting bid proposals for more than one of the separate contract awards must box each bid proposal separately. e. All bid proposal materials shall be printed two-sided on 8.5" x 11" paper. f. The Technical Proposal materials shall be presented in a spiral, comb, or pasteboard binder separate from the sealed Cost Proposal and Company Financial Information materials. Technical Proposals received in 3-ring, loose-leaf binders will not be accepted and will be returned without evaluation. g. The Cost Proposal and Company Financial Information materials shall be submitted in separate spiral, comb, or pasteboard binders. Cost Proposals and Company Financial Information materials received in 3-ring, loose-leaf binders will not be accepted and will be returned without evaluation. h. If the bidder designates any information in its bid proposal as confidential, the bidder must submit one sanitized copy of bid proposal materials from which any confidential or proprietary information has been excised or redacted. The confidential material must be excised in such a way as to allow the public to determine the general nature of the material removed and to retain as much of the bid proposal as possible. Bidders cannot designate their entire proposal as confidential or proprietary. Sanitized versions of bid proposals must provide a sufficient level of information to understand the full scope of services to be provided. i. Bidders will submit one original, eight copies, and one sanitized copy of the Technical and Cost Proposals and Company Financial Information – each in a separate binder (or set of binders) – for each bid proposal submitted. As explained above, bidders submitting bid proposals for more than

	<p>one of the separate contract awards would therefore submit one original, eight copies, and one sanitized copy of the Technical Proposal and Cost Proposal and Company Financial Information for each separate RFP Component contract under consideration.</p> <p>j. All materials shall be submitted in a timely manner to the issuing officer.</p> <p>k. The bound original bid proposal materials shall be labeled "Original." The bound copy of the bid proposal materials shall be labeled "Copy." The bound sanitized copy of the bid proposal materials shall be labeled "Sanitized Copy."</p> <p>l. The Technical Proposal and Cost Proposal must also be submitted on CD-ROM. The Company Financial Information should not be included on the CD-ROM. The Department is requiring two CD-ROM copies per bid proposal. One submitted CDROM will contain one full version of the Technical Proposal and the Cost Proposal. The second CD-ROM will contain the "sanitized" version of the Technical Proposal and a copy of the Cost Proposal. Electronic proposal files must be submitted as protected PDF files that individually identify the component name, proposal volume title, and full or excised status (such as Medical Services Cost Proposal Sanitized).</p> <p>m. As much as possible, Technical Proposal sections should be limited to discussion of elements relevant to the proposed solution for Iowa. The "Executive Summary" and "Corporate Qualifications" sections of the Technical Proposal allow bidders to expound in greater detail about past or current projects.</p>
9, Attachment L, item 6 forward	Deleted item 6 and renumbered items 7 through 43 to be new items 6 through 42.
9, Attachment L, new item 8	<p>Modified new item 8:</p> <p>(Note: Cost Proposals are opened after Technical Proposals have been evaluated. in 3-ring binders will not be accepted.)</p>
9, Attachment N-1	Modified Implementation line to reflect total implementation price. Added detail lines for Data Analytics (required), SUR replacement (optional) and MAR replacement (optional) prices.
