Dear Member_Name:

Welcome to the Healthy Behaviors Program!

As a member of the Iowa Health and Wellness Plan (Iowa Wellness Plan or Iowa Marketplace Choice Plan) there are new ways for you to play a part in your health care. The new ways come through the Healthy Behaviors Program. It is important to have a good relationship with your primary care provider (PCP). This helps improve your health and helps you make healthy choices. The Healthy Behaviors Program will give you tools to get started.

Another benefit of the Healthy Behaviors Program is that you may not have to pay a contribution later. A contribution is an amount of money that members may pay each month for their health coverage. During the first year that you qualify for the Iowa Health and Wellness Plan there are no contributions. During the second year that you qualify, there may be a contribution if you choose not to take part in the Healthy Behaviors Program.

To be in the Healthy Behaviors Program and not pay a contribution in the second year you qualify, you need to:

- 1. Get a wellness exam or yearly check-up with your PCP and**
- 2. Complete a Health Risk Assessment (HRA) about your health.**

Learn more about the Healthy Behaviors Program from the flyer included with this letter. You can start by scheduling a wellness exam. Then fill out a health risk assessment by following the steps in the flyer.

If you have more questions about the Healthy Behaviors Program, please call Member Services at 1-800-338-8366 or locally in the Des Moines area at 515-256-4606 between 8:00 a.m. and 5:00 p.m., Monday through Friday.
