

Your Dental Benefits with the Dental Wellness Plan

Core Benefits

- Emergency Services
- X-rays
- Cleanings
- Fluoride
- Fix teeth / dentures for basic needs (eating, speech, pain)

Enhanced Benefits

Go to a **second** dental exam in the 6-12 months following your first exam and you will earn these additional benefits:

- Fill cavities
- Root canal
- Gum treatment
- Denture repair
- Some dental surgery

Enhanced Benefits Plus

Go to a **third** dental exam in the 6-12 months following your second exam and you will earn these additional benefits:

- Crowns
- Tooth replacement (bridge and partial denture)
- Gum surgery

If you do not go to your dental exams every 6-12 months, you will keep your **Core Benefits** and Emergency Services. Members age 19 and 20 are eligible to receive all services as long as you meet clinical criteria for the service, even if you have not yet earned the benefits.

Frequently Asked Questions:

How much do I pay? For covered dental services, you pay nothing as long as you see a Dental Wellness Plan dentist who is in your dental carrier's network. If you agree to receive services that are not covered by the Dental Wellness Plan, you will have to pay for those services.

Do I have an annual maximum? No. There is no annual maximum under the Dental Wellness Plan.

What is an emergency dental condition? This means you have a very serious dental problem or illness. This can be severe pain and you need help right away. Or, your health could be in danger.

What other services are available? For a full list of benefits visit www.dhs.iowa.gov/dental-wellness-plan. There may be benefits that are not covered under the Dental Wellness Plan. If you believe you require services that are not covered by the Dental Wellness Plan, please contact Iowa Medicaid Member Services at 1-800-338-8366.
