Dear Council Member:

The following amendments to administrative rules are presented for adoption at the October 12, 2016 meeting for the Council on Human Services.

R-1. Amendments to Chapters 40, 41, and 46, Food Assistance and Family Investment Program. These amendments add definitions for locations where applicants and participants are prohibited from accessing funds with their electronic access cards.

R-2. Amendments to Chapter 99, Child Support Recovery. These amendments conform the child support process to statutory changes regarding suspension of court orders for child and medical support. Amends the current suspension process to allow for suspension of the child support order if the child goes to live with a caretaker who does not want child support, and both parents consent to the suspension.

There are no amendments to rules presented as Notices of Intended Action for review by the Council.

A copy of each of these rules is enclosed.

Also enclosed is the monthly rules-in-process spreadsheet detailing all rules currently in process for implementation within SFY 2017.

Sincerely,

Harry V. Rossander

Harry Rossander, Rules Administrator
