

Information Sessions

Delta Dental – Dental Wellness Plan

The Iowa Department of Human Services, in partnership with key stakeholders and Delta Dental of Iowa, has designed the Dental Wellness Plan. Starting May 1, 2014, this plan will provide dental benefits for adults ages 19 to 64 that have incomes between 0 and 133% of the federal poverty level and are not currently covered under Medicaid.

Please join Delta Dental in March and April for an informative session about the Dental Wellness Plan. The purpose of this session is to provide community-based organizations that engage with the population to be covered an overview of the Dental Wellness Plan program design and member engagement strategies.

Who should attend? Representatives of community based health care and social service organizations such as: community health centers, economic development, food pantry and congregate meal sites, free clinics, shelter services, health care organizations, I-Smile™ coordinators, local public health, care coordinators and health care navigators.
