Welcome to the IA Health Link Program!

The Department is seeking federal approval from the Centers for Medicare and Medicaid Services (CMS) to join most Iowa Medicaid programs together into one managed care program called IA Health Link. This new program will give you the same health coverage you know and use, but will be covered by a Managed Care Organization (MCO) that you get to choose. In order to receive federal approval, Iowa will need to demonstrate the new program is ready. If so, it will begin on January 1, 2016.

Please follow three steps below to choose a health care plan that best fits you.

You will find information in this packet about the four managed care organizations (MCOs) that are available for you to choose one to be your health plan:

- Amerigroup Iowa, Inc.
- UnitedHealthcare Plan of the River Valley, Inc.
- AmeriHealth Caritas Iowa, Inc.
- WellCare of Iowa, Inc.

* **PACE** (Program of All-Inclusive Care for the Elderly) is another managed care program option for members age 55 or older who live in certain Iowa counties and meet certain level of care requirements. Information about the PACE program can be found in your IA Health Link member handbook, included in this packet, on page 4.

IA Health Link Managed Care Organization Enrollment

Welcome to IA Health Link. Please review the enclosed information about each Managed Care Organization (MCO) available to you. Then you must select one MCO to enroll with. Your Managed Care Organization Options

IA Health Link is a program that gives you quality health coverage that is covered by a Managed Care Organization (MCO), also known as a health plan. You get to choose which MCO will manage your care.

Each MCO will have a network of providers across the state of Iowa who you may see for care. The MCOs will also coordinate your care to help you stay healthy. Below you will find contact information for each MCO. For more information about each MCO and their provider network, give them a call.

Services Covered Before the MCO Selection Takes Effect

The time period before a member's MCO choice takes effect and during the months where some members may receive retroactive coverage is called Fee for Service. During this time members will receive the same benefits through Fee for Service as they would with the MCO. While you are in Fee for Service your benefits are covered by Iowa Medicaid. Iowa Medicaid only pays for services from providers who are enrolled with the Iowa Medicaid program.

While on Fee for Service please direct any questions about your coverage or bills to Iowa Medicaid Member Services at 1-800-338-8366 or in the Des Moines area at 515-256-4606.

PACE

PACE (Program of All-Inclusive Care for the Elderly) is a managed care program that blends Medicaid and Medicare funding. The PACE program must provide all Medicare and Iowa Medicaid covered services as well as other services that will improve and maintain the member's overall health status. The focus of the PACE program is to provide needed services that will allow persons to stay in their homes and communities. Long term care services are covered, however, if necessary.

Eligibility Requirements

The PACE program is designed for members who:

- Are 55 years of age or older
- Live in a PACE-designated county.
- Have chronic illnesses or disabilities that require a level of care equal to nursing facility services
- Can live safely in their homes and community with help from PACE services.

Managed Health Care with IA Health Link

The Department is seeking federal approval from the Centers for Medicare and Medicaid Services (CMS) to join most Iowa Medicaid programs together into one managed care program called IA Health Link. This new program will give you the same health coverage you know and use, but will be covered by a Managed Care Organization (MCO) that you get to choose.

In order to receive federal approval, Iowa will need to demonstrate that the new program is ready. If so, it will begin on January 1, 2016. A MCO is a health plan. The coverage offered by the providers in the MCO's will be just right for you.

You can have one MCO for the whole family or you can have a different MCO for each family member. You will then see a provider who works with the MCO that you choose. Your health care provider will be the one to provide you treatment.

Who is enrolled in Managed Health Care with IA Health Link?

Most members who get coverage by Iowa Medicaid will be enrolled in the Managed Care program and will select an MCO. The benefits you receive from your selected MCO will depend on the type of Medicaid coverage you qualify for.

There are some members who are excluded from Managed Health Care. They are listed below:

- Members who qualify for the Health Insurance Premium Payment program (HIPP) – See page seven for more information on HIPP
- Members who qualify for the Medicare Savings Program (MSP) only
 - Qualified Medicare Beneficiary plan (QMB)
 - Specified Low-Income Medicare Beneficiary (SLMB)
- Members who are on the 3 day emergency plan
- Members who are on the Medically Needy program also known as the spenddown program
- Presumptively eligible members (subject to change once ongoing eligibility is determined)
- Members who receive eligibility retroactively for previous months

Some members may choose to enroll in the Managed Health Care program:

- Members who are enrolled with the PACE program. If you are a member enrolled with PACE, please contact your PACE provider before making any changes to your plan. Your PACE provider will assist you with disenrolling with PACE and enrolling with the IA Health Link Managed Care program.
- American Indian or Alaskan Native members may also choose to enroll in the Managed Care program. If you are a member who identifies as American Indian or Alaskan Native, contact Iowa Medicaid Member Services at 1-800-338-8366 to learn about enrolling in the IA Health Link Managed Care program.

If you are unsure of the type of Medicaid program you are eligible for, please contact Iowa Medicaid Member Services for assistance at 1-800-338-8366 or locally in the Des Moines area at 515-256-4606, Monday through Friday, from 8:00 am until 5:00 pm. You may also email questions to Iowa Medicaid Member Services at IMEMemberServices@dhs.state.ia.us.

Choosing a Managed Care Organization

Contact the Iowa Medicaid Member Services call center and choose a MCO from the list included in your enrollment packet. You may enroll in the following ways:

- Complete the IA Health Link enrollment form included with your IA Health Link enrollment packet and return it by mail at no cost to you.
 - You can also download a copy of the IA Health Link enrollment form at <https://dhs.iowa.gov/ime/members>
- Call the Iowa Medicaid Member Services call center, Monday through Friday from 8:00 am – 5:00 pm toll free at 1-800-338-8366 or in the Des Moines area at 515-256-4606.
- Email Iowa Medicaid Member Services at IMEMemberServices@dhs.state.ia.us
- Fax your enrollment form to 515-725-1351.

Iowa Medicaid Member Services will offer MCO choice counseling to members in person or by phone at 1-800-338-8366. Choice counseling includes answering member questions about each MCO such as:

- Is my provider in the MCO network?
- Is my pharmacy in the MCO network?
- Does the MCO have specialists close to my community?
- Does the MCO have additional services that would benefit me?

Call or email Iowa Medicaid Member Services to find out how to access in-person help.

Important notes:

- If you are pregnant, you must notify the Department of Human Services (DHS), this may change the type of Medicaid coverage you get. You may reach DHS by calling 1-877-347-5678.
- Once the baby has been born, you must notify the Department of Human Services Call Center as soon as you are able at 1-877-347-5678.
- When the baby has been enrolled with IA Health Link you will get another enrollment packet in the mail. At that time you may choose a MCO for your newborn baby.
- If you are pregnant and enrolled with an MCO, your baby will also be enrolled in the same MCO at the time of birth.

Can I Change Managed Care Organizations Later?

A goal of the IA Health Link Program is for you to have an MCO you are comfortable with who can help you access health care services. The program requires that you are enrolled with an MCO. When you receive your enrollment letter, you will be notified of when you will need to make an MCO choice. You will have 90 days to change your MCO for any reason. After the ninety-day period, you will remain with that MCO for twelve months. Changes cannot be made during the twelve-month period with the exception of the following:

- A request for disenrollment by the member for **good cause**.
- A request for disenrollment by the MCO for **good cause**.

You will receive a notice in the mail approximately sixty days before the end of your twelve-month enrollment period notifying you that can change your MCO, if you choose.

Member Requested Disenrollment for “Good Cause”

Because we want you to be happy with your MCO, you may contact Iowa Medicaid Member Services to explain why you feel you need to change your MCO during your 12 months of closed enrollment. A request for this change, called disenrollment, will require good cause. Some examples of good cause for disenrollment include:

- 1) Needing services from a provider within a different MCO's network
- 2) The MCO plan does not cover the services you need due to moral or religious objections.
- 3) Insufficient quality of care given by your MCO
 - Inadequate treatment given for your medical diagnosis
 - Inadequate use of referrals/specialty care providers
 - Refusal to give referrals for second opinions
 - Refusal to give referrals to Maternal Health Centers for a pregnant member who is requesting the referral
 - Deviations from the Standards of Treatment guidelines
- 4) Medical services provided in an untimely manner
 - Urgent care not provided or referred by the primary provider within 24 hours
 - Routine care not provided by or referred by the primary provider within 2-4 weeks
- 5) Availability of a new, previously unavailable provider, who is enrolled with a different MCO than whom you are enrolled with.

What Happens If I Move?

If you move, please contact the Department of Human Services call center at 1-877-347-5678 and contact your MCO. Your MCO will have information on how to receive services in your new area

IA Health Link Benefits

As a member of the IA Health Link program you will receive comprehensive health benefits through an MCO that you get to choose. Some services may require prior approval. Please work with your health care provider to determine if the specific service you need is covered. You may contact the MCO to find providers you can see for your medical care described below.

Emergency (ER) and Urgent Care

Emergent Care

An emergency is considered any condition that could endanger your life or cause permanent disability if not treated immediately.

The following are examples of emergencies:

- A serious accident
- Poisoning
- Heart attack
- stroke
- Severe bleeding
- Severe burns
- Severe shortness of breath

Contact your MCO for all follow-up care. Do not return to the emergency room for the follow-up care. Your provider will either provide or authorize this care.

Urgent Care

Urgent care is when you are not in a life-threatening or a permanent disability situation and have time to call your managed health care provider. If you have an urgent care situation, you should call your provider or MCO to get instructions. The following are some examples of urgent care:

- Fever
- Stomach pain
- Earaches
- Upper respiratory infection
- Sore throat
- Minor cuts and lacerations

Healthy Behaviors Program for the Iowa Wellness Plan Members

Members of the Iowa Wellness Plan have a chance to play a bigger part in their health care through the Healthy Behaviors Program. The Healthy Behaviors program allows members to become aware of their health status through two activities. Those activities are a Health Risk Assessment (HRA) and an annual wellness exam which includes an exam with your primary care provider **or** a dental exam with your dental provider. Members may complete both Healthy Behaviors each year so that their health coverage contributions can be waived in their next enrollment year.

For more information about the Healthy Behaviors program visit:

https://dhs.iowa.gov/ime/members/medicaid-a-to-z/iahealthlink/your_benefits.

Copayments

Some medical services may have a copayment, which is your share of the cost. If there is a copayment, you will pay it to the provider of the service.

- You will be charged a \$3.00 copayment for each visit to the emergency room that is not considered an emergency. (See page 14 for the definition of emergency situations.)
- Iowa Health and Wellness Plan members will be charged an \$8.00 copayment for each visit to the emergency room that is not considered an emergency. (See page 16 for the definition of emergency situations.)
- Children under the age of 21 and pregnant women **will not be** charged a copayment for any services.

Iowa Medicaid Card

All members receive a *Medical Assistance Eligibility Card* (form 470-1911).

- Always carry your card with you and don't let anyone else use it.
- Show your card to the provider every time you get care
- If you lose your Medicaid card, call Iowa Medicaid Member Services.

Appeals and Grievances

You Have the Right to Appeal

IA Health Link members have the right to file an appeal with their respective MCO, before filing an appeal with Iowa Medicaid. For benefit or service related issues, please contact your MCO to learn about your appeals rights with them (see page 3 for MCO contact information).

If an Iowa Medicaid member is dissatisfied with the MCO's decision, the member can access the State Fair Hearing appeal process through the Department of Human Services (DHS).

What is an appeal?

An **appeal** is asking for a hearing because you do not like a decision the Department of Human Services (DHS) makes. You have the right to file an appeal if you disagree with a decision. You do not have to pay to file an appeal. [441 Iowa Administrative Code Chapter 7].

How do I appeal?

Filing an appeal is easy. You can appeal in person, by telephone or in writing for Food Assistance or Medicaid. You must appeal in writing for all other programs. To appeal in writing, do **one** of the following:

- Complete an appeal electronically at <https://dhssecure.dhs.state.ia.us/forms/>, **or**
- Write a letter telling us why you think a decision is wrong, **or**
- Fill out an Appeal and Request for Hearing form. You can get this form at your county DHS office.

Send or take your appeal to the Department of Human Services, Appeals Section, 5th Floor, 1305 E Walnut Street, Des Moines, Iowa 50319-0114. If you need help filing an appeal, ask your county DHS office.

How long do I have to appeal?

For Food Assistance or Medicaid, you have 90 calendar days to file an appeal from the date of a decision. For all other programs, you must file an appeal:

- Within 30 calendar days of the date of a decision or

- Before the date a decision goes into effect

If you file an appeal more than 30 but less than 90 calendar days from the date of a decision, you must tell us why your appeal is late. If you have a good reason for filing your appeal late, we will decide if you can get a hearing.

If you file an appeal 90 days after the date of a decision, we cannot give you a hearing.

Can I continue to get benefits when my appeal is pending?

You may keep your benefits until an appeal is final or through the end of your certification period if you file an appeal:

- Within 10 calendar days of the date the notice is received. A notice is considered to be received 5 calendar days after the date on the notice or
- Before the date a decision goes into effect

Any benefits you get while your appeal is being decided may have to be paid back if the Department's action is correct.

How will I know if I get a hearing?

You will get a hearing notice that tells you the date and time a telephone hearing is scheduled. You will get a letter telling you if you do not get a hearing. This letter will tell you why you did not get a hearing. It will also explain what you can do if you disagree with the decision to not give you a hearing.

Can I have someone else help me in the hearing?

You or someone else, such as a friend or relative can tell why you disagree with the Department's decision. You may also have a lawyer help you, but the Department will not pay for one. Your county DHS office can give you information about legal services. The cost of legal services will be based on your income. You may also call Iowa Legal Aid at 1-800-532-1275. If you live in Polk County, call 515-243-1193.
