Definitions

Children in Need of Assistance (CINA) - Court adjudicated classification of a child 18 years of age. Sixteen statutory grounds can define a child as CINA. Most common are physical abuse, sexual abuse, and neglect.

Delinquent - Court adjudicated classification of a child under 18 years of age who is found to have committed any violation of state law or local ordinance that would constitute a public offense if committed by an adult.

Foster Group Care - Licensed facilities that provide behavioral health intervention services to youth.

Detention - Temporary care of a child in a physically restricting facility designed to ensure the continued custody of the child at any point between the child's initial contact with the juvenile authorities and the final disposition of the child's case.

Psychiatric Medical Institutions for Children (PMIC) - Non-hospital inpatient mental health institutions for children.

Family Foster Care - Licensed care provide housing and care to youth who are not able to return to their birth or adoptive family.

Shelter - Temporary care of a child in a physically unrestricting facility at any time between a child's initial contact with juvenile authorities and the final judicial disposition of the child's case.

Inpatient Psychiatric Hospital - A unit providing mental health services within a hospital setting.

Mental Health Institute - A stand alone inpatient psychiatric hospital operated by the state.
