Section 1  Background and Scope of Work

1.1  Background
The American Recovery and Reinvestment Act of 2009 provides incentives to qualified providers who adopt and meaningfully use electronic health records (“EHR”). The incentive payments are 100% federally funded. Iowa anticipates over 1,200 providers will qualify for the Medicaid incentives for a total economic impact of $225M to the State of Iowa. Iowa Medicaid has been given approval to administer the program, with CMS covering 90% of the administration costs. As of May 2011, Iowa Medicaid has paid a combined total of $5M in incentive payments to over 100 eligible providers.

The current EHR software solution was built utilizing the Iowa Medicaid Provider Application (IMPA), OnBase workflow and document management system, and Iowa MMIS system for payment management. Details of the solution can be found in our State Medicaid HIT Plan, located at this website: http://www.ime.state.ia.us/Providers/EHRIncentives.html. Due to limited state staff resources, and anticipating the acquisition of a new MMIS system, the IME has determined the appropriate approach to upgrading the system is to seek a multi-state systems solution to support the administration of the EHR incentive program.

The Iowa Medicaid Enterprise is preparing to expand the program for year two and beyond to capture attestation and decision support for “meaningful use” of electronic health records.

Additional information may be found in the following references:

Iowa Medicaid EHR Incentive program, including the State Medicaid HIT Plan:  http://www.ime.state.ia.us/Providers/EHRIncentives.html

No bidder shall obtain any right by virtue of the Agency’s election to not exercise that discretion. In the event the Agency waives or permits cure of variances, such waiver or cure will not modify the RFP requirements or excuse the bidder from full compliance with RFP specifications or other contract requirements if the bidder enters into a contract.

The Agency reserves the right to either execute a contract without further negotiation with the successful bidder or to negotiate contract terms with the selected bidder if the best interests of the Agency would be served.

### 3.2 Contents and Organization of Technical Proposal

This section describes the information that must be in the Technical Proposal. Bid Proposals should be organized into sections **in the same order provided here** using tabs to separate each section.

**Bid Proposal Security**

The bidder shall submit a bid bond, a certified or cashier’s check, or an irrevocable letter of credit in favor of or made payable to the Agency in the amount of ten percent of the proposal costs listed in the cost proposal. The bidder understands that if the bidder elects to use a bond, a surety licensed to do business in Iowa must issue the bond on a form acceptable to the Agency. The bidder further understands that the bid proposal security submitted by bidders will be returned, if not forfeited for reasons stated above, when the Bid Proposals expire, are rejected, or the Agency enters into a contract with the successful bidder, whichever is earliest.

Note: Failure to disclose information about the matters in this section may result in rejection of the Bid Proposal or in termination of any subsequent contract. This is a continuing disclosure requirement. Any such matter commencing after submission of a Bid Proposal, and with respect to the successful bidder after the execution of a contract, shall be disclosed in a timely manner in a written statement to the Agency. For purposes of this subsection, timely means within thirty (30) days from the date of conviction, regardless of appeal rights.

A Cost Proposal Form is attached to this RFP as Attachment Med-012-003_Proposal_Template.xls. Bidders must complete this form and submit it as their cost proposal. Bidders may also include a budget narrative.

The agency requests a fixed price performance based contract and the bidder is obligated to perform all of the Contractor's responsibilities and meet all of the Contractor Performance Standards if awarded the contract. The Agency acknowledges that it is responsible for meeting all State Responsibilities in the RFP.

Section 4 Evaluation Of Bid Proposals

4.1 Introduction
This section describes the evaluation process that will be used to determine which Bid Proposal provides the greatest benefits to the Agency. The Agency will not necessarily award a contract to the bidder offering the lowest cost to the Agency or to the bidder with the highest point total. Rather, a contract will be awarded to the bidder that offers the greatest benefit to the Agency.

4.2 Evaluation Committee
The Agency intends to conduct a comprehensive, fair and impartial evaluation of Bid Proposals received in response to this RFP. In making this determination, the Agency will be represented by an evaluation committee.

Committee members will score the Technical and Cost Proposals using criteria established for this RFP. The committee will meet at the completion of their independent evaluation to address any questions raised by their respective reviews and discuss the relative merits of each bidder’s Bid Proposal. Thereafter, the committee may continue to discuss and rescore the Bid Proposals until the committee determines that the scores accurately reflect the committee’s assessment of the relative merits of the Bid Proposals based upon all information presented.
4.3 Competitive Range
Based on the initial evaluation committee proposal scores, the Agency will establish a list of no more than four vendors who will be considered to be within a competitive range. Bidders in the competitive range will be requested to make presentations of their proposals at a date and time to be established by the Agency. Following presentations, the Evaluation Committee will finalize its evaluations, taking into consideration the proposal presentations.

4.4 Recommendation of the Evaluation Committee
The final ranking and recommendation(s) of the evaluation committee shall be presented to the Iowa Medicaid Director for consideration. In making this recommendation, the committee is not bound by the scores or scoring system. This recommendation may include, but is not limited to, the name of one or more bidders recommended for selection or a recommendation that no bidder be selected. The Iowa Medicaid Director shall consider the recommendation when making the final decision, but is not bound by the recommendation.

4.5 Proposal Scoring and Evaluation Criteria

**Scoring of Cost Proposal Pricing**
Cost Proposals will be scored based on the Agency’s total cost of the system for a period of 10 years. Cost Proposal pricing will be scored based on a ratio of the lowest Cost Proposal versus the cost of each higher-priced Bid Proposal. Under this formula, the lowest Cost Proposal receives all of the points assigned to pricing. A Cost Proposal twice as expensive as the lowest Cost Proposal would earn half of the available points. The formula is:

Weighted Cost Score = (price of lowest Cost Proposal/price of each higher priced Cost Proposal) X (points assigned to pricing)

CERTIFICATION OF INDEPENDENCE AND NO CONFLICT OF INTEREST

By submission of a Bid Proposal, the bidder certifies (and in the case of a joint proposal, each party thereto certifies) that:

1. The Bid Proposal has been developed independently, without consultation, communication or agreement with any employee or consultant of the Agency who has worked on the development of this RFP, or with any person serving as a member of the evaluation committee;

2. The Bid Proposal has been developed independently, without consultation, communication or agreement with any other bidder or parties for the purpose of restricting competition;

3. Unless otherwise required by law, the information in the Bid Proposal has not been knowingly disclosed by the bidder and will not knowingly be disclosed prior to the award of the contract, directly or indirectly, to any other bidder;

4. No attempt has been made or will be made by the bidder to induce any other bidder to submit or not to submit a Bid Proposal for the purpose of restricting competition;

5. No relationship exists or will exist during the contract period between the bidder and the Agency that interferes with fair competition or is a conflict of interest.

CERTIFICATION REGARDING DEBARMENT, SUSPENSION, INELIGIBILITY AND VOLUNTARY EXCLUSION -- LOWER TIER COVERED TRANSACTIONS

By signing and submitting this Bid Proposal, the bidder is providing the certification set out below:

1. The certification in this clause is a material representation of fact upon which reliance was placed when this transaction was entered into. If it is later determined that the bidder knowingly rendered an erroneous certification, in addition to other remedies available to the federal government the Agency or agency with which this transaction originated may pursue available remedies, including suspension and/or debarment.

2. The bidder shall provide immediate written notice to the person to whom this Bid Proposal is submitted if at any time the bidder learns that its certification was erroneous when submitted or had become erroneous by reason of changed circumstances.

3. The terms covered transaction, debarred, suspended, ineligible, lower tier covered transaction, participant, person, primary covered transaction, principle, proposal, and voluntarily excluded, as used in this clause, have the meaning set out in the Definitions and Coverage sections of rules implementing Executive Order 12549. You may contact the person to which this Proposal is submitted for assistance in obtaining a copy of those regulations.

4. The bidder agrees by submitting this Proposal that, should the proposed covered transaction be entered into, it shall not knowingly enter into any lower tier covered transaction with a person who is proposed for debarment under 48 CFR part 9, subpart 9.4, debarred, suspended, declared ineligible, or voluntarily excluded from participation in this covered transaction, unless authorized by the Agency or agency with which this transaction originated.

5. The bidder further agrees by submitting this Proposal that it will include this clause titled "Certification Regarding Debarment, Suspension, Ineligibility and Voluntary Exclusion--Lower Tier Covered Transaction," without modification, in all lower tier covered transactions and in all solicitations for lower tier covered transactions.

6. A participant in a covered transaction may rely upon a certification of a prospective participant in a lower tier covered transaction that it is not proposed for debarment under 48 CFR part 9, subpart 9.4, debarred,
suspended, ineligible, or voluntarily excluded from covered transactions, unless it knows that the certification is erroneous. A participant may decide the method and frequency by which it determines the eligibility of its principals. A participant may, but is not required to, check the List of Parties Excluded from Federal Procurement and Non-procurement Programs.

7. Nothing contained in the foregoing shall be construed to require establishment of a system of records in order to render in good faith the certification required by this clause. The knowledge and information of a participant is not required to exceed that which is normally possessed by a prudent person in the ordinary course of business dealings.

8. Except for transactions authorized under paragraph 4 of these instructions, if a participant in a covered transaction knowingly enters into a lower tier covered transaction with a person who is proposed for debarment under 48 CFR part 9, subpart 9.4, suspended, debarred, ineligible, or voluntarily excluded from participation in this transaction, in addition to other remedies available to the federal government, the Agency or agency with which this transaction originated may pursue available remedies, including suspension and/or debarment.

CERTIFICATION REGARDING DEBARMENT, SUSPENSION, INELIGIBILITY AND/OR VOLUNTARY EXCLUSION—LOWER TIER COVERED TRANSACTIONS

1. The bidder certifies, by submission of this Proposal, that neither it nor its principals is presently debarred, suspended, proposed for debarment, declared ineligible, or voluntarily excluded from participation in this transaction by any federal department or agency.

2. Where the bidder is unable to certify to any of the statements in this certification, such bidder shall attach an explanation to this Proposal.

CERTIFICATION OF COMPLIANCE WITH PRO-CHILDREN ACT OF 1994

The bidder must comply with Public Law 103-227, Part C Environmental Tobacco Smoke, also known as the Pro-Children Act of 1994 (Act). This Act requires that smoking not be permitted in any portion of any indoor facility owned or leased or contracted by an entity and used routinely or regularly for the provision of health, day care, education, or library services to children under the age of 18, if the services are funded by federal programs either directly or through State or local governments. Federal programs include grants, cooperative agreements, loans or loan guarantees, and contracts. The law also applies to children’s services that are provided in indoor facilities that are constructed, operated, or maintained with such federal funds. The law does not apply to children’s services provided in private residences; portions of facilities used for inpatient drug or alcohol treatment; service providers whose sole source of applicable federal funds is Medicare or Medicaid; or facilities (other than clinics) where WIC coupons are redeemed.

The bidder further agrees that the above language will be included in any sub-awards that contain provisions for children’s services and that all sub-grantees shall certify compliance accordingly. Failure to comply with the provisions of this law may result in the imposition of a civil monetary penalty of up to $1,000 per day.

CERTIFICATION REGARDING LOBBYING

The bidder certifies, to the best of his or her knowledge and belief, that:

1. No federal appropriated funds have been paid or will be paid on behalf of the sub-grantee to any person for influencing or attempting to influence an officer or employee of any federal agency, a Member of the Congress, an officer or employee of the Congress, or an employee of a Member of Congress in connection with the awarding of any federal contract, the making of any federal grant, the making of any
federal loan, the entering into of any cooperative agreement, or the extension, continuation, renewal, amendment, or modification of any federal contract, grant loan or cooperative agreement.

2. 2.9 Change Order Procedure. The Agency may at any time request a modification to the Scope of Work using a change order. The following procedures for a change order shall be followed:

2.9.1 Written Request. The Agency shall specify in writing the desired modifications to the same degree of specificity as in the original Scope of Work.

2.9.2 The Contractor’s Response. The Contractor shall submit to the Agency a firm cost proposal for the requested change order within five (5) Business Days of receiving the change order request.

2.9.3 Acceptance of the Contractor Estimate. If the Agency accepts the cost proposal presented by the Contractor, the Contractor shall provide the modified Deliverable subject to the cost proposal included in the Contractor response. The Contractor’s provision of the modified Deliverables shall be governed by the terms and conditions of this Contract.

2.9.4 Adjustment to Compensation. The parties acknowledge that a change order for this Contract may or may not entitle the Contractor to an equitable adjustment in the Contractor’s compensation or the performance deadlines under this Contract.

2.10 Intellectual Property.

2.10.1 Ownership and Assignment of Other Deliverables. The Contractor agrees that the State and Agency shall become the sole and exclusive owners of all Deliverables. The Contractor hereby irrevocably assigns, transfers and conveys to the State and the Agency all right, title and interest in and to all Deliverables and all intellectual property rights and proprietary rights arising out of, embodied in, or related to such Deliverables, including copyrights, patents, trademarks, trade secrets, trade dress, mask work, utility design, derivative works, and all other rights and interests therein or related thereto. The Contractor represents and warrants that the State and the Agency shall acquire good and clear title to all Deliverables, free from any claims, liens, security interests, encumbrances, intellectual property rights, proprietary rights, or other rights or interests of the Contractor or of any third party, including any employee, agent, contractor, subcontractor, subsidiary, or affiliate of the Contractor. The Contractor (and Contractor’s employees, agents, contractors, subcontractors, subsidiaries and affiliates) shall not retain any property interests or other rights in and to the Deliverables and shall not use any Deliverables, in whole or in part, for any purpose, without the prior written consent of the Agency and the payment of such royalties or other compensation as the Agency deems appropriate. Unless otherwise requested by the Agency, upon completion or termination of this Contract, the Contractor will immediately turn over to the Agency all Deliverables not previously delivered to the Agency, and no copies thereof shall be retained by the Contractor or its employees, agents, subcontractors, or affiliates, without the prior written consent of Agency.

2.10.2 Waiver. To the extent any of the Contractor’s rights in any Deliverables are not subject to assignment or transfer hereunder, including any
moral rights and any rights of attribution and of integrity, the Contractor hereby irrevocably and unconditionally waives all such rights and enforcement thereof and agrees not to challenge the State’s rights in and to the Deliverables.

2.10.3 Further Assurances. At the Agency’s request, the Contractor will execute and deliver such instruments and take such other action as may be requested by the Agency to establish, perfect, or protect the State’s rights in and to the Deliverables and to carry out the assignments, transfers and conveyances set forth in Section 2.10, Intellectual Property.

2.10.4 Publications. Prior to completion of all services required by this Contract, the Contractor shall not publish in any format any final or interim report, document, form, or other material developed as a result of this Contract without the express written consent of the Agency. Upon completion of all services required by this Contract, the Contractor may publish or use materials developed as a result of this Contract, subject to confidentiality restrictions, and only after the Agency has had an opportunity to review and comment upon the publication. Any such publication shall contain a statement that the work was done pursuant to a contract with the Agency and that it does not necessarily reflect the opinions, findings and conclusions of the Agency.

2.10.5 Rights in Data. Any data supplied by the Agency to the Contractor in the course of the performance of this Contract shall be considered the property of the Agency. The Contractor will not use the Agency’s data and records for any purpose other than providing services under the Contract, nor will any part of the data and records be disclosed, sold, assigned, leased, or otherwise provided to third-parties or commercially exploited by or on behalf of the Contractor. The Contractor must return any and all data collected, maintained, created, or used in the course of the performance of the Contract in whatever form it is maintained promptly at the request of the Agency.

2.10.6 Federal License. As this Contract is at least partially federally funded, the federal government reserves a royalty-free, nonexclusive, and irrevocable license to reproduce, publish, or otherwise use and to authorize others to use for federal government purposes, software and associated documentation designed, developed or installed in whole or in part with federal funds pursuant to this Contract. The state and federal governments shall have all rights to Deliverables as set forth in 45 C.F.R. § 95.617(a).

2.11 Warranties.

2.11.1 Construction of Warranties Expressed in this Contract with Warranties Implied by Law. Warranties made by the Contractor in this Contract, whether: (1) this Contract specifically denominates the Contractor's promise as a warranty; or (2) the warranty is created by the Contractor's affirmation or promise, by a description of the Deliverables to be provided, or by provision of samples to the Agency, shall not be construed as limiting or negating any warranty provided by law, including without limitation, warranties that arise through the course of dealing or usage of trade. The warranties expressed in this Contract are intended to modify the warranties implied by law only to the extent that they expand the warranties applicable to the Deliverables provided by the Contractor. With the exception of Subsection 2.11.3, the provisions of this section apply during the Warranty Period as defined in the Contract Declarations and Execution Section.

2.11.2 Contractor represents and warrants that:

2.11.2.1 All Deliverables shall be wholly original with and prepared solely by the Contractor; or it owns, possesses, holds, and has received or secured all rights, permits, permissions, licenses, and authority necessary to provide the Deliverables to the Agency hereunder and to assign, grant and convey the rights, benefits, licenses, and other rights assigned, granted, or conveyed to the Agency hereunder or under any license agreement related hereto without violating any rights of any third party;

2.11.2.2 The Contractor has not previously and will not grant any rights in any Deliverables to any third party that are inconsistent with the rights granted to the Agency herein; and

2.11.2.3 The Agency shall peacefully and quietly have, hold, possess, use, and enjoy the Deliverables without suit, disruption, or interruption.

2.11.3 The Contractor represents and warrants that:

2.11.3.1 The Deliverables (and all intellectual property rights and proprietary rights arising out of, embodied in, or related to such Deliverables); and

2.11.3.2 The Agency’s use of, and exercise of any rights with respect to, the Deliverables (and all intellectual property rights and proprietary rights arising out of, embodied in, or related to such Deliverables), do not and will not, under any circumstances, misappropriate a trade secret or

infringe upon or violate any copyright, patent, trademark, trade dress or other intellectual property right, proprietary right or personal right of any third party. The Contractor further represents and warrants there is no pending or threatened claim, litigation, or action that is based on a claim of infringement or violation of an intellectual property right, proprietary right or personal right or misappropriation of a trade secret related to the Deliverables. The Contractor shall inform the Agency in writing immediately upon becoming aware of any actual, potential, or threatened claim or cause of action for infringement or violation or an intellectual property right, proprietary right, or personal right or misappropriation of a trade secret. If such a claim or cause of action arises or is likely to arise, then the Contractor shall, at the Agency’s request and at the Contractor’s sole expense:

- Procure for the Agency the right or license to continue to use the Deliverable at issue;
- Replace such Deliverable with a functionally equivalent or superior Deliverable free of any such infringement, violation, or misappropriation;
- Modify or replace the affected portion of the Deliverable with a functionally equivalent or superior Deliverable free of any such infringement, violation, or misappropriation; or
- Accept the return of the Deliverable at issue and refund to the Agency all fees, charges, and any other amounts paid by the Agency with respect to such Deliverable. In addition, the Contractor agrees to indemnify, defend, protect, and hold harmless the State and its officers, directors, employees, officials, and agents as provided in the Indemnification Section of this Contract, including for any breach of the representations and warranties made by the Contractor in this section.

The warranty provided in this subsection shall be perpetual, shall not be subject to the contractual Warranty Period, and shall survive termination of this Contract. The foregoing remedies provided in this subsection shall be in addition to and not exclusive of other remedies available to the Agency and shall survive termination of this Contract.

2.11.4 The Contractor represents and warrants that the Deliverables shall:

2.11.4.1 Be free from material Deficiencies; and
2.11.4.2 Meet, conform to and operate in accordance with all Specifications and in accordance with this Contract during the Warranty Period, as defined in the Contract Declarations and Execution Section.

During the Warranty Period the Contractor shall, at its expense, repair, correct or replace any Deliverable that contains or experiences material Deficiencies or fails to meet, conform to or operate in accordance with Specifications within five (5) Business Days of receiving notice of such Deficiencies or failures from the Agency or within such other period as the Agency specifies in the notice. In the event the Contractor is unable to repair, correct, or replace such Deliverable to the Agency’s satisfaction, the Contractor shall refund the fees or other amounts paid for the Deliverables and for any services related thereto. The foregoing shall not constitute an exclusive remedy under this Contract, and the Agency shall be entitled to pursue any other available contractual, legal, or equitable remedies. The Contractor shall be available at all reasonable times to assist the Agency with questions, problems, and concerns about the Deliverables, to inform the Agency promptly of any known Deficiencies in any Deliverables, repair and correct any Deliverables not performing in accordance with the warranties contained in this Contract, notwithstanding that such Deliverables may have been accepted by the Agency, and provide the Agency with all necessary materials with respect to such repaired or corrected Deliverable.

2.11.5 The Contractor represents, warrants and covenants that all services to be performed under this Contract shall be performed in a professional, competent, diligent, and workmanlike manner by knowledgeable, trained, and qualified personnel, all in accordance with the terms and Specifications of this Contract and the standards of performance considered generally acceptable in the industry for similar tasks and projects. In the absence of a Specification for the performance of any portion of this Contract, the parties agree that the applicable Specification shall be the generally accepted industry standard. So long as the Agency notifies the Contractor of any services performed in violation of this standard, the Contractor shall re-perform the services at no cost to the Agency, such that the services are rendered in the above-specified manner, or if the Contractor is unable to perform the services as warranted, the Contractor shall reimburse the Agency any fees or compensation paid to the Contractor for the unsatisfactory services.

2.11.6 The Contractor represents and warrants that the Deliverables will comply with any applicable federal, state, foreign and local laws, rules,
regulations, codes, and ordinances in effect during the term of this Contract, including applicable provisions of Section 508 of the Rehabilitation Act of 1973, as amended, and all standards and requirements established by the Architectural and Transportation Barriers Access Board and the Iowa Department of Administrative Services, Information Technology Enterprise.

2.11.7 Obligations Owed to Third Parties. The Contractor represents and warrants that all obligations owed to third parties with respect to the activities contemplated to be undertaken by the Contractor pursuant to this Contract are or will be fully satisfied by the Contractor so that the Agency will not have any obligations with respect thereto.

2.12 Acceptance of Deliverables.

2.12.1. Acceptance of Written Deliverables. For the purposes of this section, written Deliverables means documents including, but not limited to project plans, planning documents, reports, or instructional materials (“Written Deliverables”). Although the Agency determines what Written Deliverables are subject to formal Acceptance, this section generally does not apply to routine progress or financial reports. Absent more specific Acceptance Criteria in the Special Terms, following delivery of any Written Deliverable pursuant to the Contract, the Agency will notify the Contractor whether or not the Deliverable meets contractual specifications and requirements. Written Deliverables shall not be considered accepted by the Agency, nor does the Agency have an obligation to pay for such Deliverables, unless and until the Agency has notified the Contractor of the Agency’s Final Acceptance of the Written Deliverables. In all cases, any statements included in such Written Deliverables that alter or conflict with any contractual requirements shall in no way be considered as changing the contractual requirements unless and until the parties formally amend the Contract.

2.12.2. Acceptance of Software Deliverables. Except as otherwise specified in the Scope of Work, all Deliverables pertaining to software and related hardware components (“Software Deliverables”) shall be subject to the Agency’s Acceptance Testing and Acceptance, unless otherwise specified in the Scope of Work. Upon completion of all work to be performed by the Contractor with respect to any Software Deliverable, the Contractor shall deliver a written notice to the Agency certifying that the Software Deliverable meets and conforms to applicable Specifications and is ready for the Agency to conduct Acceptance Testing; provided, however, that the Contractor shall pretest the Software Deliverable to determine that it meets and operates in accordance with applicable Specifications prior to delivering such notice to the Agency. At the Agency’s request, the Contractor shall assist the Agency in performing Acceptance Tests at no additional cost to the Agency. Within a reasonable period of time after the Agency has completed its Acceptance Testing, the Agency shall provide the Contractor with written notice of Acceptance or Non-acceptance with respect to each Software Deliverable that was evaluated during such Acceptance Testing. In the event the Agency provides notice of Non-acceptance to the Contractor with respect to any Software Deliverable, the Contractor shall correct and repair such Software Deliverable and submit it to the Agency within ten (10) days of the Contractor’s receipt of notice of Non-acceptance so that the Agency may re-conduct its Acceptance Tests. In the event the Agency determines, after re-conducting its Acceptance Tests with respect to any Software Deliverable that the Contractor has attempted to correct or repair pursuant to this section, that such Software Deliverable fails to satisfy its Acceptance Tests, then the Agency shall have the continuing right, at its sole option, to: (1) require the Contractor to correct and repair such Software Deliverable within such period of time as the Agency may specify in a written notice to the Contractor; (2) refuse to accept such Software Deliverable without penalty and without any obligation to pay any fees or other amounts associated with such Software Deliverable (or receive a refund of any fees or amounts already paid with respect to such Software Deliverable); (3) accept such Software Deliverable on the condition that any fees or other amounts payable with respect thereto shall be reduced or discounted to reflect, to the Agency’s satisfaction, the Deficiencies present therein and any reduced value or functionality of such Software Deliverable or the costs likely to be incurred by the Agency to correct such Deficiencies; or (4) terminate this Contract and/or seek any and all available remedies, including damages. Notwithstanding the provisions of Section 2.5.1, Termination for Cause by the Agency, of this Contract, the Agency may terminate this Contract pursuant to this section without providing the Contractor with any notice or opportunity to cure
provided for in the termination provisions of this Contract. The Agency’s right to exercise the foregoing rights and remedies, including termination of this Contract, shall remain in effect until Acceptance Tests are successfully completed to the Agency’s satisfaction and the Agency has provided the Contractor with written notice of Final Acceptance.

2.12.3 Notice of Acceptance and Future Deficiencies. The Contractor’s receipt of any notice of Acceptance, including Final Acceptance, with respect to any Deliverable shall not be construed as a waiver of any of the Agency’s rights to enforce the terms of this Contract or require performance in the event the Contractor breaches this Contract or any Deficiency is later discovered with respect to such Deliverable.

2.13 Contract Administration.

2.13.1 Independent Contractor. The status of the Contractor shall be that of an independent contractor. The Contractor, its employees, agents, and any subcontractors performing under this Contract are not employees or agents of the State or any agency, division, or department of the State simply by virtue of work performed pursuant to this Contract. Neither the Contractor nor its employees shall be considered employees of the Agency or the State for federal or state tax purposes simply by virtue of work performed pursuant to this Contract. The Agency will not withhold taxes on behalf of the Contractor (unless required by law).

2.13.2 Incorporation of Documents. To the extent this Contract arises out of a Solicitation, the parties acknowledge that the Contract consists of these contract terms and conditions as well as the Solicitation and the Bid Proposal. The Solicitation and the Bid Proposal are incorporated into the Contract by reference. If the Contractor proposed exceptions or modifications to the Sample Contract attached to the Solicitation or to the Solicitation itself, these proposed exceptions or modifications shall not be incorporated into this Contract unless expressly set forth herein. If there is a conflict between the Contract, the Solicitation, and the Bid Proposal, the conflict shall be resolved according to the following priority, ranked in descending order: (1) the Contract; (2) the Solicitation; (3) the Bid Proposal.

2.13.3 Intent of References to Bid Documents. To the extent this Contract arises out of a Solicitation, the references to the parties' obligations, which are contained in this Contract, are intended to supplement or clarify the obligations as stated in the Solicitation and the Bid Proposal. The failure of the parties to make reference to the terms of the Solicitation or the Bid Proposal in this Contract shall not be construed as creating a conflict and will not relieve the Contractor of the contractual obligations imposed by the terms of the Solicitation and the Contractor’s Bid Proposal. Terms offered in the Bid Proposal, which exceed the requirements of the Solicitation, shall not be construed as creating an inconsistency or conflict with the Solicitation or the Contract. The contractual obligations of the Agency are expressly stated in this document. The Bid Proposal does not create any express or implied obligations of the Agency.

2.13.4 Compliance with the Law. The Contractor, its employees, agents, and subcontractors shall comply with all applicable federal, state, and local laws, rules, ordinances, regulations, and orders when providing Deliverables pursuant to this Contract, including without limitation, all laws that pertain to the prevention of discrimination in employment and in the provision of services. For employment, this would include equal employment opportunity and affirmative action, and the use of targeted small businesses as subcontractors or suppliers. The Contractor may be required to provide a copy of its affirmative action plan, containing goals and time specifications, and non-discrimination and accessibility plans and policies regarding services to clients. Failure to comply with this provision may cause this contract to be cancelled, terminated, or suspended in whole or in part and the Contractor may be declared ineligible for future state contracts or be subject to other sanctions as provided by law or rule. The Contractor, its employees, agents, and subcontractors shall also comply with all federal, state, and local laws regarding business permits and licenses that may be required to carry out the work performed under this Contract. The Contractor may be required to submit its affirmative action plan to the Iowa Department of Management to comply with the requirements of 541 Iowa Administrative Code chapter 4. If all or a portion of the funding used to pay for the Deliverables is being provided through a grant from the Federal Government, the Contractor acknowledges and agrees that pursuant to applicable federal laws, regulations, circulars, and bulletins, the awarding agency of the Federal Government reserves
certain rights including, without limitation, a royalty-
free, non-exclusive and irrevocable license to
reproduce, publish or otherwise use, and to authorize
others to use, for Federal Government purposes, the
Deliverables developed under this Contract and the
copyright in and to such Deliverables.
2.13.5 Procurement. The Contractor shall use
procurement procedures that comply with all
applicable federal, state, and local laws and
regulations.
2.13.6 Non-Exclusive Rights. This Contract is not
exclusive. The Agency reserves the right to select
other contractors to provide Deliverables similar or
identical to those described in the Scope of Work
during the term of this Contract.
2.13.7 Amendments. With the exception of the
Business Associate Agreement, which may be
modified or replaced on notice pursuant to Section
1.5, Business Associate Agreement, this Contract may
only be amended by mutual written consent of the
parties. Amendments shall be executed on a form
approved by the Agency that expressly states the
intent of the parties to amend this Contract.
2.13.8 No Third Party Beneficiaries. There are no
third party beneficiaries to this Contract. This
Contract is intended only to benefit the State and the
Contractor.
2.13.9 Use of Third Parties. The Agency
acknowledges that the Contractor may contract with
third parties for the performance of any of the
Contractor’s obligations under this Contract. The
Contractor shall notify the Agency in writing of all
subcontracts relating to Deliverables to be provided
under this Contract prior to the time the
subcontract(s) become effective. The Agency
reserves the right to review and approve all
subcontracts. The Contractor may enter into these
contracts to complete the project provided that the
Contractor remains responsible for all Deliverables
provided under this Contract. All restrictions,
obligations, and responsibilities of the Contractor
under this Contract shall also apply to the
subcontractors and the Contractor shall include in all
of its subcontracts a clause that so states. The
Agency shall have the right to request the removal of
a subcontractor from the Contract for good cause.
2.13.10 Choice of Law and Forum. The laws of the
State of Iowa shall govern and determine all matters
arising out of or in connection with this Contract
without regard to the conflict of law provisions of
Iowa law. Any and all litigation commenced in
connection with this Contract shall be brought and
maintained solely in Polk County District Court for
the State of Iowa, Des Moines, Iowa, or in the United
States District Court for the Southern District of
Iowa, Central Division, Des Moines, Iowa, wherever
jurisdiction is appropriate. This provision shall not
be construed as waiving any immunity to suit or
liability including without limitation sovereign
immunity in State or Federal court, which may be
available to the Agency or the State of Iowa.
2.13.11 Assignment and Delegation. The
Contractor may not assign, transfer, or convey in
whole or in part this Contract without the prior
written consent of the Agency. For the purpose of
construing this clause, a transfer of a controlling
interest in the Contractor shall be considered an
assignment. The Contractor may not delegate any of
its obligations or duties under this Contract without
the prior written consent of the Agency. The
Contractor may not assign, pledge as collateral, grant
a security interest in, create a lien against, or
otherwise encumber any payments that may or will
be made to the Contractor under this Contract.
2.13.12 Integration. This Contract represents the
entire Contract between the parties. The parties shall
not rely on any representation that may have been
made which is not included in this Contract.
2.13.13 No Drafter. No party to this Contract shall
be considered the drafter of this Contract for the
purpose of any statute, case law, or rule of
construction that would or might cause any provision
to be construed against the drafter.
2.13.14 Headings or Captions. The paragraph
headings or captions used in this Contract are for
identification purposes only and do not limit or
construe the contents of the paragraphs.
2.13.15 Not a Joint Venture. Nothing in this
Contract shall be construed as creating or constituting
the relationship of a partnership, joint venture, (or
other association of any kind or agent and principal
relationship) between the parties hereto. No party,
unless otherwise specifically provided for herein, has
the authority to enter into any contract or create an
obligation or liability on behalf of, in the name of, or
binding upon another party to this Contract.
2.13.16 Joint and Several Liability. If the
Contractor is a joint entity, consisting of more than
one individual, partnership, corporation, or other
business organization, all such entities shall be jointly
and severally liable for carrying out the activities and
obligations of this Contract, for any default of
activities and obligations, and for any fiscal liabilities.

2.13.17 Supersedes Former Contracts or Agreements. This Contract supersedes all prior contracts or agreements between the Agency and the Contractor for the Deliverables to be provided in connection with this Contract.

2.13.18 Waiver. Except as specifically provided for in a waiver signed by duly authorized representatives of the Agency and the Contractor, failure by either party at any time to require performance by the other party or to claim a breach of any provision of the Contract shall not be construed as affecting any subsequent right to require performance or to claim a breach.

2.13.19 Notice. With the exception of the Business Associate Agreement, as set forth in Section 1.5, Business Associate Agreement, any notices required by the Contract shall be given in writing by registered or certified mail, return receipt requested, by receipted hand delivery, by Federal Express, courier or other similar and reliable carrier which shall be addressed to each party’s Contract Manager as set forth in the Contract Declarations and Execution Section. From time to time, the parties may change the name and address of a party designated to receive notice. Such change of the designated person shall be in writing to the other party. Each such notice shall be deemed to have been provided:
- At the time it is actually received in the case of hand delivery;
- Within one (1) day in the case of overnight delivery, courier or services such as Federal Express with guaranteed next-day delivery; or
- Within five (5) days after it is deposited in the U.S. Mail.

2.13.20 Cumulative Rights. The various rights, powers, options, elections, and remedies of any party provided in this Contract, shall be construed as cumulative and not one of them is exclusive of the others or exclusive of any rights, remedies or priorities allowed either party by law, and shall in no way affect or impair the right of any party to pursue any other equitable or legal remedy to which any party may be entitled.

2.13.21 Severability. If any provision of this Contract is determined by a court of competent jurisdiction to be invalid or unenforceable, such determination shall not affect the validity or enforceability of any other part or provision of this Contract.

2.13.22 Time is of the Essence. Time is of the essence with respect to the Contractor’s performance of the terms of this Contract. The Contractor shall ensure that all personnel providing Deliverables to the Agency are responsive to the Agency’s requirements and requests in all respects.

2.13.23 Authorization. The Contractor represents and warrants that:
- 2.13.23.1 It has the right, power, and authority to enter into and perform its obligations under this Contract.
- 2.13.23.2 It has taken all requisite action (corporate, statutory, or otherwise) to approve execution, delivery, and performance of this Contract, and this Contract constitutes a legal, valid, and binding obligation upon itself in accordance with its terms.

2.13.24 Successors in Interest. All the terms, provisions, and conditions of the Contract shall be binding upon and inure to the benefit of the parties hereto and their respective successors, assigns, and legal representatives.

2.13.25 Records Retention and Access.

2.13.25.1 Financial Records. The Contractor shall maintain accurate, current, and complete records of the financial activity of this Contract which sufficiently and properly document and calculate all charges billed to the Agency throughout the term of this Contract and for a period of at least seven (7) years following the date of final payment or completion of any required audit (whichever is later). If any litigation, claim, negotiation, audit, or other action involving the records has been started before the expiration of the seven (7) year period, the records must be retained until completion of the action and resolution of all issues which arise from it, or until the end of the regular seven (7) year period, whichever is later. The Contractor shall permit the Agency, the Auditor of the State of Iowa or any other authorized representative of the State and where federal funds are involved, the Comptroller General of the United States or any other authorized representative of the United States government, to access and examine, audit, excerpt and transcribe any directly pertinent books, documents, papers, electronic or optically stored and created records, or other records of the Contractor relating to orders, Invoices or payments, or any other Documentation or materials pertaining to this Contract, wherever such records may be located. The Contractor shall not
impose a charge for audit or examination of the Contractor’s books and records. Based on the audit findings, the Agency reserves the right to address the Contractor’s board or other managing entity regarding performance and expenditures. When state or federal law or the terms of this Contract require compliance with OMB Circular A-87, A-110, or other similar provision addressing proper use of government funds, the Contractor shall comply with these additional records retention and access requirements:

2.13.25.1.1 Records of financial activity shall include records that adequately identify the source and application of funds. When the terms of this Contract require matching funds, cash contributions made by the Contractor and third-party in-kind (property or service) contributions, these funds must be verifiable from the Contractor’s records. These records must contain information pertaining to contract amount, obligations, unobligated balances, assets, liabilities, expenditures, income, and third-party reimbursements.

2.13.25.1.2 The Contractor shall maintain accounting records supported by source documentation that may include but are not limited to cancelled checks, paid bills, payroll, time and attendance records, and contract award documents.

2.13.25.1.3 The Contractor, in maintaining project expenditure accounts, records and reports, shall make any necessary adjustments to reflect refunds, credits, underpayments or overpayments, as well as any adjustments resulting from administrative or compliance reviews and audits. Such adjustments shall be set forth in the financial reports filed with the Agency.

2.13.25.1.4 The Contractor shall maintain a sufficient record keeping system to provide the necessary data for the purposes of planning, monitoring, and evaluating its program.

2.13.25.2 The Contractor shall retain all non-medical and medical client records for a period of seven(7) years from the last date of service for each patient; or in the case of a minor patient or client, for a period consistent with that established by Iowa Code § 614.1(9).

2.13.25.3 Destruction of Confidential Information.

At the conclusion of this Contract, the Agency may require the Contractor to return Confidential Information. If not required to return such information, and in accordance with any retention requirements in this Records Retention and Access Section or any applicable provision of law or regulation, the Contractor will destroy all Confidential Information in such a manner as to render the information incapable of being reconstructed or recovered. If return or destruction is not feasible, the Contractor will provide the Agency with the reason(s) in writing that make the return or destruction of such Confidential Information infeasible.

If the Agency provides written permission for the Contractor to retain the Confidential Information, the Contractor will extend the protections of this Contract to the Confidential Information and limit any further uses or disclosures.

2.13.26 Audits. Local governments and non-profit subrecipient entities that expend $500,000 or more in a year in federal awards (from all sources) shall have a single audit conducted for that year in accordance with the provisions of OMB Circular A-133 “Audit of States, Local Governments, and Non-Profit Organizations.” A copy of the final audit report shall be submitted to the Agency if either the schedule of findings and questioned costs or the summary schedule of prior audit findings includes any audit findings related to federal awards provided by the Agency. If an audit report is not required to be submitted per the criteria above, the subrecipient must provide written notification to the Agency that the audit was conducted in accordance with Government Auditing Standards and that neither the schedule of findings and questioned costs nor the summary schedule of prior audit findings includes any audit findings related to federal awards provided by the Agency. See A-133 Section 21 for a discussion of subrecipient versus vendor relationships. The Contractor shall provide the Agency with a copy of any written audit findings or reports, whether in draft or final form, within two (2) Business Days following receipt by the Contractor. The requirements of this paragraph shall apply to the Contractor as well as any subcontractors.

2.13.27 Reimbursement of Audit Costs. If the Auditor of the State of Iowa notifies the Agency of an issue or finding involving the Contractor’s noncompliance with laws, rules, regulations, and/or contractual agreements governing the funds distributed under this Contract, the Contractor shall bear the cost of the Auditor’s review and any subsequent assistance provided by the Auditor to determine compliance. The Contractor shall
reimburse the Agency for any costs the Agency pays to the Auditor for such review or audit.

2.13.28 Staff Qualifications and Background Checks. The Contractor shall be responsible for assuring that all persons, whether they are employees, agents, subcontractors, or anyone acting for or on behalf of the Contractor, are properly licensed, certified, or accredited as required under applicable state law and the Iowa Administrative Code. The Contractor shall provide standards for service providers who are not otherwise licensed, certified, or accredited under state law or the Iowa Administrative Code.

The Agency reserves the right to conduct and/or request the disclosure of criminal history and other background investigation of the Contractor, its officers, directors, shareholders, and the Contractor’s staff, agents, or subcontractors retained by the Contractor for the performance of Contract services.

2.13.29 Solicitation. The Contractor represents and warrants that no person or selling agency has been employed or retained to solicit and secure this Contract upon an agreement or understanding for commission, percentage, brokerage, or contingency excepting bona fide employees or selling agents maintained for the purpose of securing business.

2.13.30 Obligations Beyond Contract Term. This Contract shall remain in full force and effect to the end of the specified term or until terminated pursuant to this Contract. All obligations of the Agency and the Contractor incurred or existing under this Contract as of the date of expiration or termination will survive the termination or expiration of this Contract.

2.13.31 Counterparts. The parties agree that this Contract has been or may be executed in several counterparts, each of which shall be deemed an original and all such counterparts shall together constitute one and the same instrument.

2.13.32 Delays or Potential Delays of Performance. Whenever the Contractor encounters any difficulty which is delaying or threatens to delay the timely performance of this Contract, including but not limited to potential labor disputes, the Contractor shall immediately give notice thereof in writing to the Agency with all relevant information with respect thereto. Such notice shall not in any way constitute a basis for an extension of the delivery schedule or be construed as a waiver by the Agency or the State of any rights or remedies to which either is entitled by law or pursuant to provisions of this Contract.

Failure to give such notice, however, may be grounds for denial of any request for an extension of the delivery schedule because of such delay. Furthermore, the Contractor will not be excused from failure to perform that is due to a Force Majeure unless and until the Contractor provides notice pursuant to this provision.

2.13.33 Delays or Impossibility of Performance Based on a Force Majeure. Neither party shall be in default under the Contract if performance is prevented, delayed, or made impossible to the extent that such prevention, delay, or impossibility is caused by a Force Majeure. If a Force Majeure delays or prevents the Contractor’s performance, the Contractor shall immediately use its best efforts to directly provide alternate, and to the extent possible, comparable performance. The party seeking to exercise this provision shall immediately notify the other party of the occurrence and reason for the delay. The parties shall make every effort to minimize the time of nonperformance and the scope of work not being performed due to the unforeseen events. Dates by which performance obligations are scheduled to be met will be extended only for a period of time equal to the time lost due to any delay so caused.

2.13.34 Right to Address the Board of Directors or Other Managing Entity. The Agency reserves the right to address the Contractor’s board of directors or other managing entity of the Contractor regarding performance, expenditures, and any other issue the Agency deems appropriate.

2.13.35 Repayment Obligation. In the event that any State and/or federal funds are deferred and/or disallowed as a result of any audits or expended in violation of the laws applicable to the expenditure of such funds, the Contractor shall be liable to the Agency for the full amount of any claim disallowed and for all related penalties incurred. The requirements of this paragraph shall apply to the Contractor as well as any subcontractors.

2.13.36 Reporting Requirements. If this Contract permits other State agencies and political subdivisions to make purchases off of the Contract, the Contractor shall keep a record of the purchases made pursuant to the Contract and shall submit a report to the Agency on a quarterly basis. The report shall identify all of the State agencies and political subdivisions making purchases off of this Contract and the quantities purchased pursuant to the Contract during the reporting period.
2.13.37 Immunity from Liability. Every person who is a party to the Contract is hereby notified and agrees that the State, the Agency, and all of their employees, agents, successors, and assigns are immune from liability and suit for or from the Contractor’s and/or subcontractors’ activities involving third parties and arising from the Contract.

2.13.38 Public Records. The laws of the State require procurement records to be made public unless otherwise provided by law.

2.13.39 Use of Name or Intellectual Property. The Contractor agrees it will not use the Agency and/or State’s name or any of their intellectual property, including but not limited to, any State, state agency, board or commission trademarks or logos in any manner, including commercial advertising or as a business reference, without the expressed prior written consent of the Agency and/or the State.

2.13.40 Taxes. The State is exempt from Federal excise taxes, and no payment will be made for any taxes levied on the Contractor’s employees’ wages. The State is exempt from State and local sales and use taxes on the Deliverables.

2.13.41 No Minimums Guaranteed. The Contract does not guarantee any minimum level of purchases or any minimum amount of compensation.

2.14 Contract Certifications. The Contractor will fully comply with obligations herein. If any conditions within these certifications change, the Contractor will provide written notice to the Agency within twenty-four (24) hours from the date of discovery.

2.14.1 Certification of Compliance with Pro-Children Act of 1994. The Contractor must comply with Public Law 103-227, Part C Environmental Tobacco Smoke, also known as the Pro-Children Act of 1994 (Act). This Act requires that smoking not be permitted in any portion of any indoor facility owned or leased or contracted by an entity and used routinely or regularly for the provision of health, day care, education, or library services to children under the age of 18, if the Deliverables are funded by federal programs either directly or through State or local governments. Federal programs include grants, cooperative agreements, loans or loan guarantees, and contracts. The law also applies to children’s services that are provided in indoor facilities that are constructed, operated, or maintained with such federal funds. The law does not apply to children’s services provided in private residences; portions of facilities used for inpatient drug or alcohol treatment; service providers whose sole source of applicable federal funds is Medicare or Medicaid; or facilities (other than clinics) where Women, Infants, and Children (WIC) coupons are redeemed.

The Contractor further agrees that the above language will be included in any subawards that contain provisions for children’s services and that all subgrantees shall certify compliance accordingly. Failure to comply with the provisions of this law may result in the imposition of a civil monetary penalty of up to $1000 per day.

2.14.2 Certification Regarding Debarment, Suspension, Ineligibility and Voluntary Exclusion—Lower Tier Covered Transactions

By signing this Contract, the Contractor is providing the certification set out below:

2.14.2.1 The certification in this clause is a material representation of fact upon which reliance was placed when this transaction was entered into. If it is later determined that the Contractor knowingly rendered an erroneous certification, in addition to other remedies available to the federal government, the Agency or agency with which this transaction originated may pursue available remedies, including suspension and/or debarment.

2.14.2.2 The Contractor shall provide immediate written notice to the Agency if at any time the Contractor learns that its certification was erroneous when submitted or had become erroneous by reason of changed circumstances.

2.14.2.3 The terms covered transaction, debarred, suspended, ineligible, lower tier covered transaction, participant, person, primary covered transaction, principle, proposal, and voluntarily excluded, as used in this clause, have the meaning set out in the Definitions and Coverage sections of rules implementing Executive Order 12549. Contact the Agency for assistance in obtaining a copy of those regulations.

2.14.2.4 The Contractor agrees by signing this Contract that, should the proposed covered transaction be entered into, it shall not knowingly enter into any lower tier covered transaction with a person who is proposed for debarment under 48 CFR part 9, subpart 9.4, debarred, suspended, declared ineligible, or voluntarily excluded from participation in this covered transaction, unless authorized by the Agency or agency with which this transaction originated.
2.14.2.5 The Contractor further agrees by signing this Contract that it will include this clause titled “Certification Regarding Debarment, Suspension, Ineligibility and Voluntary Exclusion—Lower Tier Covered Transaction,” without modification, in all lower tier covered transactions and in all solicitations for lower tier covered transactions.

2.14.2.6 A participant in a covered transaction may rely upon a certification of a prospective participant in a lower tier covered transaction that it is not proposed for debarment under 48 CFR part 9, subpart 9.4, debarred, suspended, ineligible, or voluntarily excluded from covered transactions, unless it knows that the certification is erroneous. A participant may decide the method and frequency by which it determines the eligibility of its principals. A participant may, but is not required to, check the List of Parties Excluded from Federal Procurement and Nonprocurement Programs.

2.14.2.7 Nothing contained in the foregoing shall be construed to require establishment of a system of records in order to render in good faith the certification required by this clause. The knowledge and information of a participant is not required to exceed that which is normally possessed by a prudent person in the ordinary course of business dealings.

2.14.2.8 Except for transactions authorized under Section 2.14.2.4 of these instructions, if a participant in a covered transaction knowingly enters into a lower tier covered transaction with a person who is proposed for debarment under 48 CFR part 9, subpart 9.4, debarred, suspended, ineligible, or voluntarily excluded from participation in this transaction, in addition to other remedies available to the federal government, the Agency or agency with which this transaction originated may pursue available remedies, including suspension and/or debarment.

2.14.2.9 The Contractor certifies, by signing this Contract, that neither it nor its principals is presently debarred, suspended, proposed for debarment, declared ineligible, or voluntarily excluded from participation in this transaction by any federal department or agency.

Where the Contractor is unable to certify to any of the statements in this certification, such Contractor shall attach an explanation to this Contract.

2.14.3 Certification Regarding Lobbying. The Contractor certifies, to the best of his or her knowledge and belief, that:

2.14.3.1 No federal appropriated funds have been paid or will be paid on behalf of the sub-grantee to any person for influencing or attempting to influence an officer or employee of any federal agency, a Member of the Congress, an officer or employee of the Congress, or an employee of a Member of Congress in connection with the awarding of any federal contract, the making of any federal grant, the making of any federal loan, the entering into of any cooperative agreement, or the extension, continuation, renewal, amendment, or modification of any federal contract, grant loan, or cooperative agreement.

2.14.3.2 If any funds other than federal appropriated funds have been paid or will be paid to any person for influencing or attempting to influence an officer or employee of any federal agency, a Member of the Congress, or an employee of a Member of Congress in connection with this Contract, grant, loan, or cooperative agreement, the applicant shall complete and submit Standard Form-LLL, “Disclosure Form to Report Lobbying,” in accordance with its instructions.

2.14.3.3 The Contractor shall require that the language of this certification be included in the award documents for all subawards at all tiers (including subcontracts, subgrants, and contracts under grants, loans and cooperative agreements) and that all subrecipients shall certify and disclose accordingly. This certification is a material representation of fact upon which reliance was placed when this transaction was made or entered into. Submission of this certification is a prerequisite for making or entering into this transaction imposed by Section 1352, Title 31, U.S.C.A. Any person who fails to file the required certification shall be subject to a civil penalty of not less than $10,000 and not more than $100,000 for each such failure.

2.14.4 Certification Regarding Drug Free Workplace

2.14.4.1 Requirements for Contractors. Who are Not Individuals. If the Contractor is not an individual, the Contractor agrees to provide a drug-free workplace by:

2.14.4.1.1 Publishing a statement notifying employees that the unlawful manufacture, distribution, dispensation, possession, or use of a controlled substance is prohibited in the Contractor’s workplace and specifying the actions that will be taken against employees for violations of such prohibition;

2.14.4.1.2 Establishing a drug-free awareness program to inform employees about:
• The dangers of drug abuse in the workplace;
• The Contractor’s policy of maintaining a drug-free workplace;
• Any available drug counseling, rehabilitation, and employee assistance programs; and
• The penalties that may be imposed upon employees for drug abuse violations;

2.14.4.1.3 Making it a requirement that each employee to be engaged in the performance of such contract be given a copy of the statement required by Subsection 2.14.4.1.1;

2.14.4.1.4 Notifying the employee in the statement required by Subsection 2.14.4.1.1 that as a condition of employment on such contract, the employee will:
• Abide by the terms of the statement; and
• Notify the employer of any criminal drug statute conviction for a violation occurring in the workplace no later than five (5) days after such conviction;

2.14.4.1.5 Notifying the contracting agency within ten (10) days after receiving notice under the second unnumbered bullet of Subsection 2.14.4.1.4 from an employee or otherwise receiving actual notice of such conviction;

2.14.4.1.6 Imposing a sanction on, or requiring the satisfactory participation in a drug abuse assistance or rehabilitation program by, any employee who is so convicted, as required by 41 U.S.C. § 703; and

2.14.4.1.7 Making a good faith effort to continue to maintain a drug-free workplace through implementation of this section.

2.14.4.2 Requirement for Individuals. If the Contractor is an individual, by signing the Contract, the Contractor agrees not to engage in the unlawful manufacture, distribution, dispensation, possession, or use of a controlled substance in the performance of the Contract.

2.14.4.3.1 Take appropriate personnel action against such employee up to and including termination; or

2.14.4.3.2 Require such employee to satisfactorily participate in a drug abuse assistance or rehabilitation program approved for such purposes by a Federal, State, or local health, law enforcement, or other appropriate agency.

2.14.5 Conflict of Interest. The Contractor represents, warrants, and covenants that no relationship exists or will exist during the Contract period between the Contractor and the Agency that is a conflict of interest. No employee, officer or agent of the Contractor or subcontractor shall participate in the selection or in the award or administration of a subcontract if a conflict of interest, real or apparent, exists. The provisions of Iowa Code chapter 68B shall apply to this Contract. If a conflict of interest is proven to the Agency, the Agency may terminate this Contract, and the Contractor shall be liable for any excess costs to the Agency as a result of the conflict of interest. The Contractor shall establish safeguards to prevent employees, consultants, or members of governing bodies from using their positions for purposes that are, or give the appearance of being, motivated by the desire for private gain for themselves or others with whom they have family, business, or other ties. The Contractor shall report any potential, real, or apparent conflict of interest to the Agency.

2.14.6 Certification Regarding Sales and Use Tax. By executing this Contract, the Contractor certifies it is either (1) registered with the Iowa Department of Revenue, collects, and remits Iowa sales and use taxes as required by Iowa Code chapter 423; or (2) not a “retailer” or a “retailer maintaining a place of business in this state” as those terms are defined in Iowa Code § 423.1(42) and (43). The Contractor also acknowledges that the Agency may declare the Contract void if the above certification is false. The Contractor also understands that fraudulent certification may result in the Agency or its representative filing for damages for breach of contract.
