

MED-12-029 Project Oversight, Management and Integration Services for the MMIS Implementation Project AMENDMENT 1

WHEREAS the Department has determined it is necessary to amend RFP MED-12-029,
THEREFORE RFP MED-12-029 is amended as follows:

New text (if any) is in boldface font. Deleted text (if any) has a strike-through line in it.

Amendment 1	
Section	Revision Description
4.3 Recommendation of the Evaluation Committee	<p>The final ranking and recommendation(s) of the evaluation committee shall be presented to the Division Administrator(s) for consideration. In making this recommendation, the committee is not bound by the scores or scoring system. This recommendation may include, but is not limited to, the name of one or more bidders recommended for selection or a recommendation that no bidder be selected. The Division Administrator(s) shall consider the recommendation when making the final decision, but is not bound by the recommendation.</p> <p>The evaluation committee will forward their final recommendations to the Division Administrator (State Medicaid Director) for a final decision and contract award, if appropriate. The recommendation shall be based on all information received through the evaluation process and shall provide the evaluation committee's assessment of the bidder that will provide the greatest benefit to the Agency. The evaluation committee will recommend the bidder with the greatest total point value or a recommendation that no bidder be selected.</p> <p>The Agency reserves the right to take any additional steps deemed necessary in determining the final award, which may include negotiations with the selected bidder. The State Medicaid Director may accept or reject the recommendation of the evaluation committee, or the RFP may be cancelled or rebid at the sole discretion of the Agency,</p> <p>The State Medicaid Director's decision is final for purposes of Iowa Administrative Code Chapter 17A.</p>

4.4.2 Scoring of the Technical Proposals	<u>Technical Proposal Components</u>	<u>Weight</u>	<u>Score (10-50)</u>	<u>Potential Maximum Points</u>
