MEM - Member Calls for Eligibility and Benefits

Purpose:
This procedure explains the process of how to handle a member’s call regarding member Medicaid eligibility and benefits.

Identification of Roles:
Customer Service Representatives (CSR)

Performance Standards:
Quality Assurance for all Member Service’s calls must be at least 85%. However, enrollments should be completed correctly 100% of the time.

Path of Business Procedure:
Step 1: Calls are routed by an Automated Call Distributor (ACD) into an enrollment queue and answered by the next available CSR.

Step 2: CSR access the member's file and will verify that the caller is Health Insurance Portability and Accountability Act of 1996 (HIPPA) authorized to obtain information and make changes to the member’s file.
   a. Verify the person calling is listed as the member, the case name or the name in Social Services Number information (SSNI).
   b. Verify the mailing address on file.
   c. Request the caller's current phone number.

Step 3: CSR will verify Medicaid enrollment using screen 10 in Medicaid Management Information System (MMIS).
   a. Verify the Aid Type, Fund Code, and Exemption Code for member eligibility.
   b. Refer to Member Services Reference Manual, Member Eligibility Verification section.

Step 4: Once it has been determined that the member is eligible for Medicaid benefits, CSR may provide individual coverage and benefits information, as determined by the Aid Type, Fund Code, and Exemption Code verified above. (Refer to Member Services Reference Manual, Medicaid Benefits section.)
   b. The following list of Aid Types has full Medicaid coverage as well as Wavier Services: 136, 631, 636, 638, 645, 731, 733, and 734.
