

HUMAN SERVICES DEPARTMENT[441]

Adopted and Filed Emergency After Notice

Pursuant to the authority of Iowa Code section 225C.6 and 2014 Iowa Acts, House File 2463, section 82, the Department of Human Services amends Chapter 25, “Disability Services Management,” Iowa Administrative Code.

The purpose of this rule making is to establish the Department’s rules for gathering expenditure data necessary to calculate county Medicaid offset in accordance with 2014 Iowa Acts, House File 2463, section 82.

Notice of Intended Action was published in the Iowa Administrative Bulletin as **ARC 1591C** on August 20, 2014. The Department received no comments during the comment period. These amendments are identical to those published as Notice of Intended Action.

The Mental Health and Disability Services Commission adopted these amendments on September 25, 2014.

Pursuant to Iowa Code section 17A.5(2)”b”(1), the Department finds that the normal effective date of these amendments, 35 days after publication, should be waived and the amendments made effective September 25, 2014. The normal effective date must be waived since legislation requires timely implementation to gather and process county mental health and disability services data for SFY 2014. This information will in turn allow the Department to calculate the required offset information by October 15, 2014. Currently, counties are required to submit their mental health and disability services data by December 1 of each year. Due to the timeline requirements of the legislation, the reporting time for the expenditure data must be moved up to meet the necessary calculation

deadline.

These amendments do not provide for waivers in specified situations because requests for the waiver of any rule may be submitted under the Department's general rule on exceptions at 441—1.8(17A, 217).

After analysis and review of this rule making, no impact on jobs has been found.

These amendments are intended to implement Iowa Code section 225C.6 and 2014 Iowa Acts, House File 2463, section 82.

These amendments became effective September 25, 2014.

The following amendments are adopted.

ITEM 1. Amend **441—Chapter 25**, Preamble, as follows:
