

Mental Health and Disability Services Redesign

Transition Committee Charge

Source: Iowa Department of Human Resources (DHS), SF 525 and SF 2315

Date Created: July 12, 2012

MISSION

To ensure the transition from the current mental health and disability system to the regional mental health and disability system is as seamless as possible for all concerned.

GOALS

- Transition to a regional mental health and disability system that provides local access to services and supports, is regionally managed and measured through statewide standards.

MEMBERSHIP

*See attached.

TASKS

- Identify and attempt to resolve issues arising from the mental health and disability services (MHDS) system transition.
- Serve as a resource for DHS as the department assists in counties forming into regional entities.
- To make recommendations that would create a clear locus of accountability and responsibility in the MHDS system.
- Consult with DHS and the Commission as they establish the rules for county exemption from a Region and rules and requirements for the Mental Health & Disability Services Redesign Transition Fund .
